THE BASICS

WHAT IS PLAYA DEL FUEGO?

Playa del Fuego is a sanctioned Regional Burning Man Event in Tamaqua, PA. The event takes place on Memorial Day weekend in Tamaqua, PA, with its sister event Constellation taking place in Elkins, WV on Indigenous Peoples Day weekend. Both events are hosted by FirePony Creative Society.

Playa del Fuego, also known as PDF, is a Mid-Atlantic Regional Burning Man Event.

Playa del Fuego is an experiment in collaborative community building, featuring art, music, and a culture of play. This community is created by volunteers working together utilizing the Ten Principles of Burning Man as our guide. There are no spectators at Playa del Fuego; everyone collaborates in some way to create the event. It's a place for radical self-expression, acceptance, inclusivity, and respect.

WELCOME HOME! We know you are very excited but please stay in your car and have your IDs and proof of vaccination ready!

TICKETING 101

- You MUST show up with a VALID LEGAL PHOTO ID that matches the info on the waiver you signed for your ticket, and your ticket alone.
- If you have more than one adult ticket associated with your ticket account, you're doing it wrong.
- No print outs or other forms of ticketing will be accepted at the gate.

Forms of proof of vaccination accepted:

- Your ID and Proof of Vaccination are the only acceptable means of entry. Have it handy when you come to the gate. The gate entry is a single-lane road. Don't be "that person" who has to tell the gate crew, "oh, my ID is my bag in the trunk."
- Please don't ruin others' experiences by pleading ignorance and jamming up the entry line.

MINORS

All minors must be accompanied by a legal parent or guardian. Minors will need to have the waiver filled out by that legal guardian and the guardian's information documented onto the wristband. **The Minor's waiver must be presented or filled out at gate before entering the event!**

WRISTBANDS

Gate Volunteers will check your ID/Proof of Vaccination and retrieve your wristband. **Participants must wear this wristband while on-site for the duration of the event.** If a wristband breaks or is removed, it may be replaced by exchanging the broken band for a new one at the gate.

RE-ENTRY PASSES

As PDF is a sincere experiment in temporary community, leaving during the event with plans to return is highly discouraged. Re-entry passes are required to re-enter the event once you have left.

Re-entry passes are \$20 PER CAR/PER TRIP, via credit/debit card from Jim at Camp Re-Charge. There will be NO CASH SALES ONSITE. Re-entry passes are only for use Thursday - Saturday. Sunday is exit only.

In the event of a medical or other emergency, the need for passes may be waived on a case by case basis.

ICE

Ice will be available for sale prior to the burn on the PDF website (sales close the Friday before the event), and on-site during ice pick up times.

Ice Pick Up Times are Friday, Saturday and Sunday from 11:00 - 12:00 PM (Noon) and 5:00 - 6:00 PM at the ice truck near the lodge building.

Ice is \$3.00 per 7lb bag via credit/debit cards. There will be NO CASH SALES ONSITE.

YOUR RESPONSIBILITIES

PARTICIPATE / VOLUNTEER

There are no spectators at Pdf. You can participate in many ways, including volunteering, interacting, or sharing your art. Playa del Fuego is ENTIRELY run by volunteers. **You are strongly encouraged to pick up some volunteer shifts during the event.** Anyone can volunteer, even first-timers. Volunteering for six hours earns you a reserve ticket to the next PDF. See page 34 for info on the Reserve Ticket Program.

CONSENT

You are responsible for getting express enthusiastic consent before entering a camp, going in for a hug, touching a person or their things, taking a person's picture, or having sexual relations.

Consent is an affirmative, unambiguous, and conscious decision by each participant to engage in mutually agreed-upon activity. The consent has to be ongoing throughout any encounter, and enthusiastic consent is best!

EASY CONSENT GUIDE:

- NO means NO.
- NO means NO the first time, every time, and completely.
- No cajoling, no "c'mon please", no emotional blackmail. NO means NO!
- YES means YES. Enthusiastic YES is best!
- SILENCE = NO. MAYBE = NO. NOT YET = NO.
- Only YES = YES.
- Consent IS binary! Consent can be revoked at any time, even if you have touched that person in that same way before. Consent can be revoked after saying YES. You do not have the right to touch anyone without an enthusiastic and ongoing YES! This goes for hugs, handshakes, sexual activity, and shiny costumes!

SELF RELIANCE

You are responsible for your basic needs (food, water, shelter), your safety, and your wellbeing the entire time of your stay at Pdf. We call this Radical Self Reliance.

Stay Hydrated!

Dehydration is a very serious risk at Pdf; **DRINK WATER, and lots of it.** Alcohol and caffeine dehydrate you; it is not water.

FIRE SAFETY

It is your responsibility to Burn All the Things safely! Tent fires and fuel fires are a real threat.

At a minimum, every burner should be aware of the following safety rules:

- All Fire Pits / Campfires / Burn Barrels must be 6 inches off the ground to prevent burn scars (burn scars are a trace!)
- All Fires and Generators must have (minimum) a

5 lb. ABC Fire extinguisher and 5 gallons of water on hand

- There should be a 15 ft minimum clearance from any tents
- No fire source should be under any canopy or structure
- No Fire Spinning without a safety
- No Fire Spinning within near combustibles
- Any fuels (including generator fuel) must be kept at a minimum of 15 ft from any fire source
- Generators must properly baffled for sound

LEAVE NO TRACE / MOOP

Practicing a Leave No Trace Ethic is simple: leave the place you visit the same or better than you found it; leave no trace of your having been there. At all times, at all places on the site, you are responsible for the trash you create.

**No Public Trash Cans, No Dumpsters,
Pack It In - Pack It Out!**

LEAVE NO TRACE TIPS:

- Do a MOOP (matter out of place) sweep of your camp all weekend long, and a final MOOP sweep before you go.
- Do Not Use the Playa as Your Toilet - Porta Potties are provided. Porta Potties are NOT trash cans; take your beer cans with you!
- Add a ziplock type bag to your pocket or bag to collect trash you find as you wander.
- Be Aware of Very Small Items - No Trace really does mean NO trace. Be conscious of spare nails or smaller trash particles like cigarette butts and peanut shells.
- Do NOT pour leftover fuel or genny gas on the Playa (duh).
- Minimize Fire Impacts - Avoid creating a burn scar by using a raised fire pit, or use fire shields to protect the ground.
- If you have uncrushable bottles, you can stuff a crazy amount of other smaller trash inside them, minimizing the volume of trash you will need to haul out.
- Pockets, Bags, and Carabiners are great! When you visit a camp, take your trash with you.

GRAY WATER MANAGEMENT

The Tamaqua site has no water. You are responsible for bringing enough water for the duration of the event and for packing out the water you can't disperse when you leave.

What is Gray Water? Water that has been used for cooking, washing, dishwashing, or bathing and contains soap, detergent, food scraps, or food residue.

Disperse: Small amounts of "light" gray water such as shower water that used biodegradable soap can be

sprinkled around on the ground so as not to make a puddle. For dishwater that used biodegradable soap, best practice is to use a fine strainer to remove fine food particulates and add a drop of bleach to sanitize before sprinkling about.

Pack out: All other gray water and greasy messes must be packed out!

PORTA POTTIES

NOTE: there is no onsite water, there are no showers, there are no flushing toilets

There are plenty of porta potties that get cleaned during the event. **IF IT DOES NOT COME FROM THE BODY, DO NOT PUT IT IN THE POTTY!**

Single ply TP is the only exception. No beer cans, no tampons, no baby wipes! Please bring small zip-lock bags for your wipes, pads, or tampons and take it with you as part of the Leave No Trace ethic.

Hand washing stations are also provided around the playa. WASH YO HANDS!

RULES

CODE OF CONDUCT

FirePony Creative Society (FPCS or FirePony) strives to keep the number of rules to a minimum, however certain types of behavior serve only to harm other participants, the event itself, and/or the community. Radical inclusion means that strangers are welcome to participate in our community; it does not mean tolerance of harmful behaviors.

The Code of Conduct identifies behaviors and actions that will not be tolerated at any FPCS sponsored event, including Playa del Fuego (PDF), Constellation, the Mid-Atlantic Leadership Conference (MALC), and recipients of grant funds through the Community Art and Civic Engagement (CACE) program.

In addition to the conduct detailed below, participants of any FirePony Creative Society-sponsored events are expected to comply with all federal, state, and local laws.

The FPCS Conduct Committee is the mechanism by which reported conduct incidents are investigated.

PROHIBITED BEHAVIORS

The following types of behavior are unacceptable at FirePony Creative Society-sponsored events, including, but not limited to, Playa del Fuego and Constellation, and may result in a Conduct Committee Review:

CONSENT VIOLATIONS

Non-consensual and unwanted contact with the body of another, especially of an aggressive or sexual nature, regardless of claimed intent. Unwanted sexual attention, including sexualized comments or jokes. Non-consensual intoxication (includes gifting intoxicants without disclosure and putting a drug into someone's drink without their knowledge). Also includes non-consensual demeaning speech, predatory behavior, and aggression, as well as doxxing, blackmail, and the taking of photographs or video without the express consent of those involved (see "Media Without Consent" below). FPCS supports body autonomy for all participants and direct and unambiguous enthusiastic consent is expected of all participants at all times.

HATE SPEECH

Any conduct, depiction, video, image, audio, gesture, symbol, art, item, and/or discussion ("content") that consists of abuse, threats, intimidation, animosity, attacks, or incitement of attacks against an individual or group of people and is defined in terms of race, ethnicity, national origin, gender expression, religion, sexual orientation, immigration status, disability, health status, economic status, location, or any identifying characteristic. Hate Speech includes slurs and any content that incites the hatred or violence against these groups as well as praise and/or glorification of terrorism, organized crime, hate

INCIDENT REPORTING

During the Event: Participants may report any incident in which another participant is engaging in any Prohibited Behavior as detailed in this document by requesting an incident form. Incident forms will be available at Participation Station, Ranger Station, and Sanctuary.

Incidents Outside of FPCS Sponsored Events: The FPCS Conduct Committee may consider investigating incidents that occurred outside a FPCS sponsored event when submitted via the Incident Report Form, such as Protective Orders, racist activity and Hate Speech, patterns of abusive behavior like stalking or harassment, history of prior misconduct, criminal charges, and/or violations of this policy or similar policies at other events.
playadelfuego.org/code-of-conduct

groups, and/or dangerous individuals or groups, including any/all Nazi and White Power content, symbolism, items, or expression (including the Confederate flag).

Hate Speech that is shared in an educational, historical, satirical, or artistic manner with the spirit of challenging it or raising awareness is allowed; however the intention surrounding that content must be clearly evident and the participant must be willing to engage in respectful discussion with the community about their content.

BULLYING, INCLUDING STALKING AND HARASSMENT

Any conduct that intimidates, abuses, menaces, or threatens participants and/or has the intention to exclude, silence, shame, or degrade a participant (or group), or incites others to do so. Includes all manner of stalking and harassment, including conduct such as intimidation, verbal assaults, threats of violence or harm, degrading or shaming speech, humiliation, and repeated unwanted contact, both in person and electronic.

ENDANGERING OTHERS

Any conduct or content that puts others in serious danger, including personal attacks and violence, unsafe operation of any vehicle (includes your personal vehicle, golf cart, car, and bicycle), unauthorized fireworks, unsafe flame art and/or burning art, not maintaining general fire safety protocols (such as spinning fire without a designated safety or improper storage of fuels), and/or violations of any safety and fire policies provided by a FPCS sponsored event.

ENTERING A FPCS SPONSORED EVENT WITHOUT A TICKET OR SERVICE CONTRACT

All participants, volunteers, coordinators, board members, landowners, etc. gain entry to our events by purchasing a ticket, signing the Code of Conduct, and presenting a valid ID at the gate. Vendors, such as ice delivery or the porta potty cleaners, are under contract with FirePony Creative Society and are allowed on site to fulfill their contracts. Any other entries are unauthorized and will be considered trespassing. Aiding or helping an unauthorized entry get into a FPCS sponsored event will also be considered trespassing and will subject that participant to repercussions.

DESTRUCTION, USING, OR TAKING OF PROPERTY

Includes theft, destruction, and vandalism of any property, including FPCS infrastructure as well as landowner, vendor or participant property. Consent applies to things as well as bodies. If it is not yours, leave it alone, unless you have the consent of the owner of the property.

MEDIA WITHOUT CONSENT

Direct and unambiguous consent is required before photographing or recording any participant at a FPCS event. Direct and unambiguous consent is also required when sharing any video, photograph, or content depicting a participant taken at a FPCS sponsored event on social media. Absolutely no media, content, video, image, description, or depiction of a FPCS event may be used for commercial purposes without prior written consent of the FPCS Board of Directors.

OTHER BEHAVIORS

Other types of behaviors that are prohibited include possession of a firearm, serving alcohol to someone under 21, impersonating a volunteer, repeatedly breaching a fire perimeter, harassment of wildlife, and negatively impacting the surrounding community by dumping trash in local dumpsters, trespassing, or repeated violations of a FPCS sponsored event's sound policy.

REPERCUSSIONS

Participants in violation of this Code of Conduct at any FPCS sponsored event may be removed from that event, depending on the severity of the transgression. All removals from the event will result in a Conduct Committee case to review for additional repercussions, up to and including the suspension from participation in one or more future FirePony Creative Society-sponsored events (such as Playa del Fuego and Constellation). Other actions, such as a formal warning or the removal from volunteer position(s) are also possible. Transgressions that violate federal, state, or local laws will be escalated to the appropriate authority.

FINE PRINT

The prohibited behaviors outlined in this document are a non-exhaustive list. Nothing in this document is intended to or shall waive the right of the FirePony Creative Society Board of Directors to restrict the access of an individual or entity to any FPCS sponsored event as it may determine, in its sole discretion, is warranted.

ILLEGAL ACTIVITY

Please note: Playa del Fuego, Inc. does not condone ANY illegal activity. We create a temporary city with its own rules. This city coexists within an area of real laws. Try to make that coexistence a peaceful one. Abide by all relevant local, state, and federal laws. If you see law enforcement officers, be nice to them. PDF will cooperate with all local, county, state, and federal officials. We all share an interest in having a smooth event.

DRINKING AND DRIVING

Don't be stupid, motorized vehicles don't mix with intoxication. Any ticket holder found driving while

intoxicated/under the influence may be ejected from the event. This includes cars, RVs, buses, electric bicycles, art cars, tractors, golf carts, motorized scooters, and similar devices.

OFF-LIMIT AREAS

All permanent buildings (hunting lodge and garage and any pre-existing structures) are completely off limits to all participants as well as any area marked within the event map as being off limits. Any area outside the event boundary, as marked on the event map, is strictly off limits. **Crossing the event boundaries is TRESSPASSING on private property! Trespassing on the land outside the event boundaries is cause for event eviction.**

Within the event boundaries, the following are **STRICTLY OFF-LIMITS**:

- the red cabin, including its exterior porches
- the garage along Bucky Blvd.
- the shooting trap along the northern treeline
- any large piles of lumber left on-site from logging

WRISTBANDS

Everyone is required to wear wristbands. Anyone found without a wristband will be ejected. Replacements can be acquired at the Front gate during ticketing hours. If someone asks to see your wristband, it's cool, just show them.

BAN LIST

Mr. No/Know's No-No's

The following are banned from all FirePony Creative Society events:

- All Animals (except ADA Service Animals)*
- Unauthorized fireworks

PHOTOGRAPHY, VIDEO, & MEDIA

Playa del Fuego and FirePony Creative Society understand that photography and video art is integral to radical self expression; however we require that all participants obtain explicit consent of their subjects whenever capturing and/or publishing photographs or videos taken at the event. NUDITY

Nudity is welcome at PDF!

However, if you have a volunteer shift at the gate, you should be properly attired for a public setting as this position may interact with the outside world. Generally, if you are at the gate for any reason, make sure your "bits" are covered.

View the full Photography, Video, And Media Policy here: playadelfuego.org/photography-video-and-media-policy

MINORS AND CHILDREN

You are solely responsible for the care, supervision, and well-being of the minor AT ALL TIMES.

VENDING/GIFTING

Vending of any kind is not allowed. This includes promotion of other events. Gifting does not equal bartering, nor are you entitled to anything. It's only a gift when offered freely; taking something because you want it is still theft at PdF. Ask permission before taking or touching anything, or anyone.

GLOSSARY

View a list of common burner & Playa del Fuego terms here: playadelfuego.org/glossary

PUBLIC HEALTH AND SAFETY

There is not a First Aid tent this year.

Bandaids and other first aid supplies are available at Participation Station. Try to be self reliant and bring a first aid kit to take care of your own minor issues.

Medical issues beyond the scope of basic first aid could be triaged and escalated via ambulance to the nearest medical facility.

RANGERS

PdF is truly a community and we are here to help you navigate your burn! Amazing volunteers step up and put in long hours to help you when you need it most!

Rangers are not cops and they are not your mom, but they wear a lot of khaki! They are here to help you resolve conflict via the **FLAME** method and document conduct issues. **FLAME: Find Out, Listen, Analyze, Mediate, Explain.** In times of need, RANGERS are your friend! Simply look for someone with a radio (they can call one) or if no one is around, just start calling loudly for a RANGER, and someone will hear you and respond.

Interested in becoming a Ranger? Or have Medical Certification (EMT or above)? If so, come by Ranger Station on Friday night at 7 pm for Ranger/Medic Orientation.

SANCTUARY

Sanctuary provides a positive space for those experiencing mental, emotional, or spiritual distress. Not feeling well, but it's not a medical issue? Triggered? Anxious? Simply overwhelmed at all the stimuli and need a quiet space? **SANCTUARY** is here for you, gentle burner. You are safe here.

FIRE, FIREWOOD, & GENERATOR POLICY

Playa del Fuego embraces Open Fire and Flame Effects, which means we must act in a safe and responsible manner. The reality of a tent fire or a more serious situation arising from its misuse is a threat to the future of our event and participant safety.

View the Fire, Firewood, and Generator Policy here: playadelfuego.org/fire-firewood-generator-policy

OPEN FIRE AND FLAME EFFECTS

All fires, regardless of the fuel, must be:

- Attended at all times
- Extinguished immediately at the request of any member of the Fire Safety Team or a Ranger
- Extinguished immediately if the wind picks up such that the fire throws sparks
- Maintain a safety perimeter of one and a half times the height of the flame effect
- Have 5 gallons of water or 5 lb. ABC Fire Extinguisher, or both, as appropriate for fuel type
- All liquid fuels must be maintained at a minimum of 30 ft from any fire, ignition, or radiant heat.
- All fires are to have a burn shield or be elevated minimum 6 inches to avoid burn scars.
- Fuel storage areas must have a "No Smoking" sign posted

FIREWOOD

Firewood is included in your ticket price, and you are welcome to have a fire in your camp in a fire pit or burn barrel, as long as there isn't an active fire ban.

UN-USED FIREWOOD MUST BE RETURNED TO THE MAIN PILE on Monday. This is a Leave No Trace event! Extra firewood is MOOP. Put it where it belongs!

FIREWORKS

Pyrotechnics and fireworks are defined as a device or assembly of materials containing gunpowder, explosives, or any other combustible substances that explode when ignited.

- All pyrotechnics and fireworks must be pre-registered and approved by the Burning Art Safety Team – no exceptions!

- Use of unapproved pyrotechnics and fireworks, or use of approved pyrotechnics and fireworks in an unapproved manner, may result in event ejection

GENERATOR POLICY

If you bring your own generator you have an obligation to ensure that it's used in a safe manner and are trained in it's safe fueling and operation.

Attended at all times:

- Extinguished immediately at the request of any member of the Fire Safety Team or a Ranger
- Have a 5 lb. ABC Fire Extinguisher
- Fuel must be maintained at a minimum of 30 ft from any fire, ignition, or radiant heat
- Fuel storage areas must have a "No Smoking" sign posted
- Generators must be completely shut down prior to beginning refueling
- Loud generators are to be properly baffled with fire retardant materials
- No generators in areas marked "quiet camping" on the site map

BE PREPARED FOR WEATHER EXTREMES

Our event is held rain or shine. It has been held during Nor'Easters, severe thunderstorms, coastal flooding, plagues of insects, and record heat and cold. A shade or rain structure can be helpful and shared with neighbors. **Be sure to properly stake or rebar any structures you erect.** Tents have blown away and out of the event grounds, becoming MOOP. Shade structures have become windborne and hit people in the head.

TICKS, WILDLIFE, AND LOCUST TREES - OH, MY!

TICKS

It's possible there will be ticks in the area that carry Lyme Disease. All participants are encouraged to practice Radical Self Reliance and get educated on ticks and Lyme Disease before arriving at the event. Frequent tick checks and tick repellent are strongly suggested.

WILDLIFE

Local wildlife includes black bears, foxes, bobcats, coyotes, racoons, rattlesnakes, copperheads, and deer. Interaction with wildlife isn't expected as the noise of the event will likely keep wildlife away, however, if you encounter a black bear, identify yourself by speaking in a calm, appeasing tone and back away slowly, preferably in

the direction you came. **We strongly recommend wearing boots because both rattlesnakes and copperheads are venomous.**

LOCUST TREES

They are present on the property and have big thorns, really BIG thorns. **We strongly suggest wearing boots and making sure the area where you set up your tent is free from locust tree debris and stumps.** Each year we try to remove more and more locust tree stumps so over time they are less and less of a problem; you can help by bringing a shovel or a small hatchet and taking the time to remove some.

MAYOR

Each event there is a Mayor. What the heck is the Mayor of PDF? The Mayor is just a member of the board whose job it is to listen to the community members for concerns, ideas, topics for everyone to consider, complaints, worries, and bribes. You can, of course talk to any board member any time, but the Mayor is someone who has made themselves conspicuous for your convenience. If you have any questions or concerns (or bribes), look for the Mayor.

This year's mayor is Miles / Mails / Mr. No Know.

Miles is currently serving as the Treasurer of FPCS, putting his default-world Finance and Accounting expertise towards FPCS budgets, payments, taxes, and contracts. He has been burning for 10 years now, and he considers PDF his Home Burn. Prior to Joining the FPCS Board, Miles was a coordinator for City Planning/Placement for 5 years. Miles was integral to PDF's transition out of the Swamps of Sorrow, and into the Shale Hills of Drainage and Opportunity! You can find him down at Shitty Hall, home of the Mayor for all your questions and bureaucratic needs.

A BRIEF HISTORY OF PDF

PDF began with about 20 east coast residents who had been to Burning Man in the Nevada desert, and wanted to get together a little closer to home to celebrate the spirit of the event. They joined together on the beach of Assateague Island on Maryland's coast in 1998 for Labor Day Weekend. In 2003, Playa Del Fuego had grown so much that a new site was needed to accommodate all the participants and moved to Odessa, DE. In 2018, Playa del Fuego found a new home in Tamaqua, PA where it remains today. PDF is a 100% volunteer-run event, with volunteers administering art grants, managing parking, facilitating workshops, handling ticket sales, and so much more.

WHY IS THE EFFIGY A PONY?

Assateague Island, where PDF first began, is home to Chincoteague ponies (or Assateague horses) that freely roam on the island. While phenotypically horse-like, they are commonly called "ponies". This is due in part to their smaller stature, created by the poor habitat on Assateague Island. Assateague's horses are beautiful, tough, and wild. They have learned to survive in a harsh environment. There are few places in the United States where you can view wild horses. Due to their complex social structure the Assateague horses display a wide range of unique behaviors. With careful management, the wild horses will continue to thrive on Assateague Island and provide enjoyment to thousands of nature enthusiasts, photographers, and people who just love horses!

MY AUNT AND UNCLE ARE BACK

My aunt Pearl and uncle Earl, plan to take in the sites of Tamaqua, PA. Don't know why they chose Tamaqua of all places, but they enjoy traveling to unconventional destinations. They're nice, just really clueless and haven't changed their travel aesthetic since at least 1996 so they're gonna look and act really out of place. If you see them, please keep them out of trouble? Or else they'll make that joke about how tired their arms are after flying in from Grand Rapids last night and talk your ear off from there. Talk to them long enough and they'll get weird. Thanks everyone.

36 QUESTIONS TO FALL IN LOVE / 37.4 QUESTIONS TO F*CK YOUR BURN

Artist: Laurretta Prevost

26

"Do you have an hour to spare to fall in love? FANTASTIC. If soul-sharing and eye-gazing are your thing, come on down with a human open to falling in love with you. Or sit by and swoon in the direction of strangers until you rope in a likely candidate. Results not guaranteed.

...Falling in love not your thing, you snarky potato? No problem! Come on down with a burner friend crush, and pass some time giggling and story-swapping. Open 24 hours.

CONNECT REFLECT

Artist: Fenriss

Connect Reflect invites thoughts about the interdependence of all life. Systems like neural networks echo ecosystems. Electrical impulses in the brain are like vines in the deep forest, or mycelium far underground transmitting good will and mutual aid between trees. Humans are wired to co-regulate and cooperate. When you look in a mirror, do you see only yourself? When you look through a window, do you see only others? How do you know the difference?

MALKUTHIAN ACTIVATION PORTALS

Artist: Laura Katz Rizzo

Malkuth is a Hebrew word that can be understood as "Kingdom," and refers to the material world of the senses. The Malkuthian Activation Portals are made from bound sticks and ropes. Their design is drawn from each of the 5 universal elements of Air, Earth, Water, Fire and Ether, and they reflect and invoke these natural forces, both as art objects and/or focal points or meditation tools that focus energetic frequencies and activate different energy centers. Burners are invited to come and spend time with the portals.

PAPULA DE GAIA

Artist: brycebot

22

The Papula de Gaia is a growth from the body of the earth. It is an overflow of life, breaking the skin of the planet, pulsating with light to the rhythm of life. This new habitat is born from the adaptation of ancient mech-organic life. Drawn into the Papula from afar, the explorer is lulled into a hypnotic trance upon entering the abscess. They discover a mossy creature, pulsating with life, pulling them deep into the energetic rhythms surrounding them.

SCHNARD TOWER 1

2

Artist: Quentin Davis

Schnard is a nonsense name for a thing that cannot be named. A Schnard is an event that is momentous enough to be observed but remains inexplicable; something for which there is no good explanation. It exists in the space between, where logic ends and reality demands an answer. In modern times we are too quick to ascribe some fatuous explanation to things we really do not understand, such as ascribing an event to "UFO's". A Schnard is a Schnard and it is presumptuous to say anything more. A Schnard tower is an ancient design to attract Schnards for the betterment of the community.

THEME CAMPS

3. ALLIDASEUQ

Allidaseuq is an open, eclectic, comfortable, and inviting community where tender queers, chosen family, and spirited friends join together to co-create. We strive to cultivate an environment where everyone can be fed, everyone can have a comfortable spot to rest, and everyone can feel as free, included, or as vulnerable as they would like. In many ways, we bring our camp living room to burns so that strangers as well as ourselves can come and rest a while. We know that we can improve on this and that we must continuously put in the work individually and together.

45. ANAM CARA

Chill Out spot with RV and Fabric Stenciling

39. BALLS CAMP

BALLS Camp, where Ball Gowns will be worn. Balls will be played with. And/or dodged. Principles will be upheld. Come visit and have a Ball. We insist.

BAR

BAR strives to be a shitty dive bar. We resort to various cheap parlor tricks to attract our patrons. We have a poorly built bar where we serve nothing but the cheapest beer and lowest shelf booze. Can't have a bar without sound and music, so we make sure to have lousy DJs playing on our sound rig for people to shake their ass too. While BAR is not kink or BDSM focused, we know sex sells, so we have a dance pole, our art installation Sybull (a twist on a mechanical bull with a vibrating and penetrating saddle via a sybian machine), our Taint Toss bean bag game, and lastly our slave/pet daycare crating services for hard working burner BDSM Doms. All of this is under our psychedelic themed 56' star style tent so the party can go on rain or shine.

We provide a fun and welcoming space for people to appreciate themselves and their fellow humans.

We are hosting a variety of activities throughout the weekend, including yoga, bead/crafting corner, and a silhouette peep show after dark. We are also a sound camp (pending approval), and the dynamic DJ group Psychedelic Cat Cult will be hosting impromptu DJ sets throughout the weekend. Drop by anytime. Preciate you, muhfucka."

GUIDING PRINCIPLES

Playa del Fuego is Regional Burning Man event. The 10 Principles of Burning Man guide our community.

10 PRINCIPLES OF BURNING MAN

Radical Inclusion

Anyone may be a part of Burning Man. We welcome and respect the stranger. No prerequisites exist for participation in our community.

Gifting

Burning Man is devoted to acts of gift giving. The value of a gift is unconditional. Gifting does not contemplate a return or an exchange for something of equal value.

Decommodification

In order to preserve the spirit of gifting, our community seeks to create social environments that are unmediated by commercial sponsorships, transactions, or advertising. We stand ready to protect our culture from such exploitation. We resist the substitution of consumption for participatory experience.

Radical Self-reliance

Burning Man encourages the individual to discover, exercise, and rely on his or her inner resources.

Radical Self-expression

Radical self-expression arises from the unique gifts of the individual. No one other than the individual or a collaborating group can determine its content. It is offered as a gift to others. In this spirit, the giver should respect the rights and liberties of the recipient.

Communal Effort

Our community values creative cooperation and collaboration. We strive to produce, promote, and protect social networks, public spaces, works of art, and methods of communication that support such interaction.

Civic Responsibility

We value civil society. Community members who organize events should assume responsibility for public welfare and endeavor to communicate civic responsibilities to participants. They must also assume responsibility for conducting events in accordance with local, state, and federal laws.

Leaving No Trace

Our community respects the environment. We are committed to leaving no physical trace of our activities wherever we gather. We clean up after ourselves and endeavor, whenever possible, to leave such places in a better state than when we found them.

Participation

Our community is committed to a radically participatory ethic. We believe that transformative change, whether in the individual or in society, can occur only through the medium of deeply personal participation. We achieve being through doing. Everyone is invited to work. Everyone is invited to play. We make the world real through actions that open the heart.

Immediacy

Immediate experience is, in many ways, the most important touchstone of value in our culture. We seek to overcome barriers that stand between us and a recognition of our inner selves, the reality of those around us, participation in society, and contact with a natural world exceeding human powers. No idea can substitute for this experience.
