WELCOME HOME!

We know you are very excited but please stay in your car and have your IDs ready!

TICKETING 101

- You MUST show up with a **VALID GOVERNMENT-ISSUED LEGAL PHOTO ID** that matches the info on the waiver you signed for your ticket.
- If you have more than one adult ticket associated with your ticket account, you're doing it wrong.
- No print outs or other forms of ticketing will be accepted at the gate.
- Please don't ruin others' experiences by pleading ignorance and jamming up the entry line.

A valid ID consists of:

- A valid photo driver's license issued by a state Department of Transportation
- A valid photo identification card issued by a state Department of Transportation
- A valid Armed Forces ID card containing the holder's photograph

- A valid passport, passport card or travel visa containing the holder's photograph

IDs must contain a picture, a birthdate and cannot be expired. Original document must be shown; no photocopies or phone images allowed.

MINORS

All minors must be accompanied by a legal parent or guardian. Minors will need to have the waiver filled out by that legal guardian and the guardian's information documented onto the wristband. The Minor's waiver must be presented or filled out at gate **BEFORE** entering the event!

WRISTBANDS

Gate volunteers will check your ID and retrieve your wristband. **Participants must wear this wristband while on-site for the duration of the event.** If a wristband breaks or is removed, it may be replaced by exchanging the broken band for a new one at the gate.

TEMPORARY UNLOADING

So that everyone gets a chance to come in and unload in a timely manner, participants are allowed no more than **30 MINUTES TO UNLOAD** their vehicle. If you leave your vehicle at your site longer than 30 minutes, you may be towed. Please only drive on marked roads, for everyone's safety! **ONCE YOU UNLOAD YOUR VEHICLE, RETURN PROMPTLY TO THE PARKING LOT.**

PORTA POTTIES

NOTE: THERE IS NO ONSITE WATER, THERE ARE NO SHOWERS, THERE ARE NO FLUSHING TOILETS

There are plenty of porta potties that get cleaned during the event. **IF IT DOES NOT COME FROM THE BODY, DO NOT PUT IT IN THE POTTY!**

Single ply TP is the only exception. No beer cans, no tampons, no baby wipes! Please bring zip-lock bags for your wipes, pads, or tampons and take it with you as part of the Leave No Trace ethic.

Hand washing stations are also provided around the playa. Please **DO NOT** use these stations for drinking water, dishwashing or bathing.

ICE

Bags of ice will be available for purchase on-site during ice pick up times. Ice is \$3.00 per 7lb bag via credit/debit cards. There will be **NO CASH SALES ONSITE.**

Ice Pick Up Times are Friday, Saturday and Sunday from 11:00 AM - 12:00 PM (Noon) and 5:00 PM - 6:00 PM at the Ice Truck near the lodge building.

LAMPLIGHTERS

More than a public utility, the Lamplighters are a symbol of community, of participation, and a clear sign that the day has passed, and that evening magic will soon be upon us. Procession starts around 6:30pm every day to perform the ritual of lighting up our nights; and then gather together in

the morning to take down the lamps and prep for the next evening. Lamplighters bring light to the darkness so the rest may party all night long!

NEW FOR 2025! MIS/INFORMATION BOOTH

When the sun is up, the Information Booth is the place to go for all things PDF. Want to know what event is this afternoon, where the local tow company is, or what burns tonight? The Resourcers have all the answers. When the Sun goes down, it's a total crap shoot. The Magic 8 Ball has one setting and you can be sure it'll be unhelpful. Visit the Mis/Information Booth located right next to Participation Station.

NEW FOR 2025! CENTER CAMP

Center Camp is a new feature of PDF. It's just like at the big burn, but smaller... and completely different.

It is a place to gather, hang out, perform, entertain, feed, demonstrate... whatever you want it to be. Many events have the space reserved, but that doesn't mean you can't be there in between scheduled events. This is your community space. Do with it what you will. (Within reason. Leave no trace, keep events family friendly, and don't destroy PDF property).

Learn more:
playadelfuego.org/center-camp/

YOUR RESPONSIBILITIES

PARTICIPATE / VOLUNTEER

There are no spectators at PDF. You can participate in many ways, including volunteering, interacting, or sharing your art. Playa del Fuego is ENTIRELY run by volunteers. You are strongly encouraged to pick up some volunteer shifts during the event. Just stop by Participation Station to see what shifts are available. Anyone can volunteer, even first-timers. Volunteering for six hours earns you a reserve ticket to the next PDF. See the back cover for info on the Volunteer Reserve Ticket Program (VRTP).

CONSENT

You are responsible for getting express enthusiastic consent before entering a camp, going in for a hug, touching a person or their things, taking a person's picture, or having sexual relations.

Consent is an affirmative, unambiguous, and conscious decision by each participant to engage in mutually agreed-upon activity. The consent has to be ongoing throughout any encounter, and enthusiastic consent is best!

I WAS INVITED TO
HELP REMIND YOU THE
PRINCIPLES OF A
CONSENT-BASED CULTURE.

LEARN MORE ABOUT
CONSENT FROM ASSTERIX
ON PAGE 70!

Artwork by JEFF

EASY CONSENT GUIDE:

- NO means NO.
- NO means NO the first time, every time, and completely.
- No cajoling, no "c'mon please", no emotional blackmail. NO means NO!
- YES means YES. Enthusiastic YES is best!
- SILENCE = NO. MAYBE = NO. NOT YET = NO.
- Only YES = YES.
- Consent IS binary! Consent can be revoked at any time, even if you have touched that person in that same way before. Consent can be revoked after saying YES. You do not have the right to touch anyone without an enthusiastic and ongoing YES! This goes for hugs, handshakes, sexual activity, and shiny costumes!

SELF RELIANCE

You are responsible for your basic needs (food, water, shelter), your safety, and your wellbeing the entire time of your stay at PDF. We call this Radical Self Reliance.

STAY HYDRATED!

Dehydration is a very serious risk at PDF; DRINK WATER, and lots of it. Alcohol and caffeine dehydrate you; it is not water.

STAYING WARM

Evenings can be cold in this part of PA. Please bring sufficient clothing and sleeping supplies to avoid possible hypothermia.

FIRE SAFETY

It is your responsibility to Burn All the Things safely! Tent fires and fuel fires are a real threat.

AT A MINIMUM, EVERY BURNER SHOULD BE AWARE OF THE FOLLOWING SAFETY RULES:

- All Fire Pits / Campfires / Burn Barrels must be attended at all time and are to have a burn shield or be elevated minimum 6 inches off the ground to avoid burn scars (burn scars are a trace!)
- All Fires and Generators must have 5 gallons of water or 5 lb. ABC Fire Extinguisher, or both, as appropriate for fuel type
- Fuel storage areas must have a "No Smoking" sign
- There should be a 15 ft min clearance from any tents
- No fire source should be under any canopy/structure
- No Fire Spinning without a safety. No exceptions.
- No Fire Spinning near combustibles
- All liquid fuels must be maintained at a minimum of 30 ft from any fire, ignition, or radiant heat
- Loud generators are to be properly baffled with fire retardant materials

LEAVE NO TRACE / MOOP

Practicing a Leave No Trace Ethic is simple: leave the place you visit the same or better than you found it; leave no trace of your having been there. **MOOP = MATTER OUT OF PLACE.**

At all times on the site, you are responsible for the trash you create.

**NO PUBLIC TRASH CANS,
NO DUMPSTERS,
PACK IT IN - PACK IT OUT!**

LEAVE NO TRACE TIPS:

- Do a MOOP sweep of your camp all weekend long, and a final MOOP sweep before you go.
- Do Not Use the Playa as Your Toilet - Porta Potties are provided. Porta Potties are NOT trash cans; take your beer cans with you!
- Add a ziplock type bag to your pocket or bag to collect trash you find as you wander.

- Be Aware of Very Small Items - Be conscious of spare nails, cigarette butts, peanut shells, etc.
- Do NOT pour leftover fuel or genny gas on the Playa!
- Minimize Fire Impacts - Avoid creating a burn scar by using a raised fire pit, or use fire shields to protect the ground.
- Pockets, Bags, and Carabiners are great! When you visit a camp, take your trash with you.
- Collect your recyclables and take them to Green Your Burn camp, located near the Ice Truck at H11. Items accepted: aluminum cans (uncrushed), food scraps for composting, empty propane canisters, vapes/e-cigs, and more. Hours for collection are Fri, Sat, Sun 11 am - 1 pm and 4 - 6 pm.

GRAY WATER MANAGEMENT

The Tamaqua site has no water. You are responsible for bringing enough water for the duration of the event and for packing out the water you can't disperse when you leave.

What is Gray Water? Water that has been used for cooking, washing, dishwashing, or bathing and contains soap, detergent, food scraps, or food residue.

Disperse: Small amounts of "light" gray water such as shower water that used biodegradable soap can be sprinkled around on the ground so as not to make a puddle. For dishwater that used biodegradable soap, best practice is to use a fine strainer to remove fine food particulates and add a drop of bleach to sanitize before sprinkling about.

PACK OUT: ALL OTHER GRAY WATER AND GREASY MESSSES MUST BE PACKED OUT!

RULES

CODE OF CONDUCT

FirePony Creative Society (FPCS or FirePony) strives to keep the number of rules to a minimum, however certain types of behavior serve only to harm other participants, the event itself, and/or the community. Radical inclusion means that strangers are welcome to participate in our community; it does not mean tolerance of harmful behaviors.

The Code of Conduct identifies behaviors and actions that will not be tolerated at any FPCS sponsored event, including Playa del Fuego (PDF), Constellation, the Mid-Atlantic Leadership Conference (MALC), and recipients of grant funds through the Community Art and Civic Engagement (CACE) program.

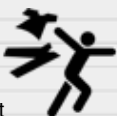

In addition to the conduct detailed below, participants of any FirePony Creative Society-sponsored events are expected to comply with all federal, state, and local laws.

The FPCS Conduct Committee is the mechanism by which reported conduct incidents are investigated.

NUDITY

NUDITY IS WELCOME AT PDF!

However, if you have a volunteer shift at the gate, you should be properly attired for a public setting as this position may interact with the outside world. Generally, if you are at the gate for any reason, make sure your "bits" are covered.

BULLYING, INCLUDING STALKING AND HARASSMENT

Any conduct that intimidates, abuses, menaces, or threatens participants and/or has the intention to exclude, silence, shame, or degrade a participant (or group), or incites others to do so. Includes all manner of stalking and harassment, including conduct such as intimidation, verbal assaults, threats of violence or harm, degrading or shaming speech, humiliation, and repeated unwanted contact, both in person and electronic.

PROHIBITED BEHAVIORS

The following types of behavior are unacceptable at FirePony Creative Society-sponsored events, including, but not limited to, Playa del Fuego and Constellation, and may result in a Conduct Committee Review:

CONSENT VIOLATIONS

Non-consensual and unwanted contact with the body of another, especially of an aggressive or sexual nature, regardless of claimed intent. Unwanted sexual attention, including sexualized comments or jokes. Non-consensual intoxication (includes gifting intoxicants without disclosure and putting a drug into someone's drink without their knowledge). Also includes non-consensual demeaning speech, predatory behavior, and aggression, as well as doxxing, blackmail, and the taking of photographs or video without the express consent of those involved (see "Media Without Consent" below). FPCS supports body autonomy for all participants and direct and unambiguous enthusiastic consent is expected of all participants at all times.

HATE SPEECH

Any conduct, depiction, video, image, audio, gesture, symbol, art, item, and/or discussion ("content") that consists of abuse, threats, intimidation, animosity, attacks, or incitement of attacks against an individual or group of people and is defined in terms of race, ethnicity, national origin, gender expression, religion, sexual orientation, immigration status, disability, health status, economic status, location, or any identifying characteristic. Hate Speech includes slurs and any content that incites the hatred or violence against these groups as well as praise and/or glorification of terrorism, organized crime, hate groups, and/or dangerous individuals or groups, including any/all Nazi and White Power content, symbolism, items, or expression (including the Confederate flag).

Hate Speech that is shared in an educational, historical, satirical, or artistic manner with the spirit of challenging it or raising awareness is allowed; however the intention surrounding that content must be clearly evident and the participant must be willing to engage in respectful discussion with the community about their content.

ENDANGERING OTHERS

Any conduct or content that puts others in serious danger, including personal attacks and violence, unsafe operation of any vehicle (includes your personal vehicle, golf cart, art car, and bicycle), unauthorized fireworks, unsafe flame art and/or burning art, not maintaining general fire safety protocols (such as spinning fire without a designated safety or improper storage of fuels), and/or violations of any safety and fire policies provided by a FPCS sponsored event.

ENTERING A FPCS SPONSORED EVENT WITHOUT A TICKET OR SERVICE CONTRACT

All participants, volunteers, coordinators, board members, landowners, etc. gain entry to our events by purchasing a ticket, signing the Code of Conduct, and presenting a valid ID at the gate. Vendors, such as ice delivery or the porta potty cleaners, are under contract with FirePony Creative Society and are allowed on site to fulfill their contracts. Any other entries are unauthorized and will be considered trespassing. Aiding or helping an unauthorized entry get into a FPCS sponsored event will also be considered trespassing and will subject that participant to repercussions.

DESTRUCTION, USING, OR TAKING OF PROPERTY

Includes theft, destruction, and vandalism of any property, including FPCS infrastructure as well as landowner, vendor or participant property. Consent applies to things as well as bodies. If it is not yours, leave it alone, unless you have the consent of the owner of the property.

MEDIA WITHOUT CONSENT

Direct and unambiguous consent is required before photographing or recording any participant at a FPCS event. Direct and unambiguous consent is also required when sharing any video, photograph, or content depicting a participant taken at a FPCS sponsored event on social media. Absolutely no media, content, video, image, description, or depiction of a FPCS event may be used for commercial purposes without prior written consent of the FPCS Board of Directors.

OTHER BEHAVIORS

Other types of behaviors that are prohibited include possession of a firearm, serving alcohol to someone under 21, impersonating a volunteer, repeatedly breaching a fire perimeter, harassment of wildlife, and negatively impacting the surrounding community by dumping trash in local dumpsters, trespassing, or repeated violations of a FPCS sponsored event's sound policy.

REPERCUSSIONS

Participants in violation of this Code of Conduct at any FPCS sponsored event may be removed from that event, depending on the severity of the transgression. All removals from the event will result in a Conduct Committee case to review for additional repercussions, up to and including the suspension from participation in one or more future FirePony Creative Society-sponsored events (such as Playa del Fuego and Constellation). Other actions, such as a formal warning or the removal from volunteer position(s) are also possible. Transgressions that violate federal, state, or local laws will be escalated to the appropriate authority.

View the full Code of Conduct here:
playadelfuego.org/code-of-conduct

INCIDENT REPORTING

Participants may report any incident in which another participant engaged in any Prohibited Behavior as detailed in the Code of Conduct. The FirePony Creative Society Conduct Committee may consider investigating incidents that occurred outside a FPCS sponsored events such as Protective Orders, racist activity and Hate Speech, patterns of abusive behavior like stalking or harassment, history of prior misconduct, criminal charges, and/or violations of the Code of conduct or similar policies at other events.

Incident reports can be submitted at playadelfuego.org/code-of-conduct/ or using this QR code:

ILLEGAL ACTIVITY

Please note: Playa del Fuego, Inc. does not condone ANY illegal activity. We create a temporary city with its own rules. This city coexists within an area of real laws. Try to make that coexistence a peaceful one. Abide by all relevant local, state, and federal laws. If you see law enforcement officers, be nice

to them. PDF will cooperate with all local, county, state, and federal officials. We all share an interest in having a smooth event.

DRINKING AND DRIVING

Don't be stupid, motorized vehicles don't mix with intoxication. Any ticket holder found driving while intoxicated/under the influence may be ejected from the event. This includes cars, RVs, buses, electric bicycles, art cars, tractors, golf carts, motorized scooters, and similar devices.

OFF-LIMIT AREAS

All permanent buildings (hunting lodge and garage and any pre-existing structures) are **COMPLETELY OFF LIMITS** to all participants well as any area marked within the event map as being off limits. Any area outside the event boundary, as marked on the event map, is strictly off limits. Crossing the event boundaries is **TRESSPASSING** on private property! **TRESSPASSING ON THE LAND OUTSIDE THE EVENT BOUNDARIES IS CAUSE FOR EVENT EVICTION.**

Within the event boundaries, the following are **STRICTLY OFF-LIMITS**:

In addition, the following details apply, as adapted from the waiver:

USE OF IMAGES AND LIKENESS:

- As a participant of Playa del Fuego, or related activities, you may be photographed.

MINORS AND CHILDREN

You are solely responsible for the care, supervision, and well-being of your minor AT ALL TIMES.

THE GIFTING ECONOMY

VENDING OF ANY KIND IS NOT ALLOWED.

Gifting Economy is part of the 10 Principles and means that everything being offered by a camp is free.

Gifts can be anything from a hug or a helping hand, to some batteries for your air bed pump, or a theme camp bar giving away drinks. Gifts are given without the expectation of anything in return. Bartering is discouraged!

A Gifting Economy does not mean all property is free property. Ask before you touch or take anything. If it doesn't belong to you, it doesn't belong to you. Please be respectful of people and their things. Consent includes touching or using other people's stuff.

HEALTH AND SAFETY

PDF is truly a community and we are here to help you navigate your burn! Amazing volunteers step up and put in long hours to help you when you need it most!

****IN THE CASE OF A LIFE THREATENING EMERGENCY, CALL 911**

THEN LOCATE ANY VOLUNTEER WITH A RADIO TO CALL FOR A MEDIC.**

Medical issues beyond the scope of basic first aid can be triaged and escalated via ambulance to the nearest medical facility.

FIRST AID

Band-aids and other basic first aid supplies are available at Ranger HQ. Try to be self-reliant and bring a first aid kit to take care of your own minor issues.

RANGERS

Rangers are not cops and they are not your mom, but they wear a lot of khaki! They are here to help you resolve conflict via the FLAME method and document conduct issues. FLAME: Find Out, Listen, Analyze, Mediate, Explain. In times of need, RANGERS are your friend!

Visit a Pink Lamp Call Box or look for someone with a radio to call for a Ranger. Or if no one is around, just start calling loudly for a RANGER, and someone will hear you and respond.

Interested in becoming a Ranger? Or a Medic and have Medical Certification (EMT or above)? If so, come by Ranger HQ on Friday night at 7 pm for Ranger Training/Medic Orientation.

PINK LAMP CALL BOXES

These pink lamp call boxes are distributed throughout the Playa, and their locations are marked on the map. They enable participants to radio for Rangers/Medics/Burning Arts Response Team directly from each call box. Instructions for use are posted on each call box.

SHUTTLE

Shuttles (golf carts) will be going throughout Playa picking up people that are waiting at stops. Please look at the map to see the pickup locations. The focus will be those with mobility issues while giving rides to others when there is room. Shuttles will have lights at night as well as megaphones to let you know they are coming.

SANCTUARY

Sanctuary provides a positive space for those experiencing mental, emotional, or spiritual distress. Not feeling well, but it's not a medical issue? Triggered? Anxious? Simply overwhelmed at all the stimuli and need a quiet space? Sanctuary is here for you, gentle burner. You are safe here.

FIRE, FIREWOOD, & GENERATOR POLICY

Playa del Fuego embraces Open Fire and Flame Effects Art, Fire Spinning, and camp fires conducted in a safe and responsible manner. The reality of a tent fire or a more serious situation arising from its misuse is a threat to the future of our event and participant safety. View the Fire, Firewood, and Generator Policy here:
playadelfuego.org/fire-firewood-generator-policy

FIREWOOD

Firewood is included in your ticket price, and you are welcome to have a fire in your camp in a fire pit or burn barrel, as long as there isn't an active fire ban.

Participants are welcome to take as much firewood as they need from the designated pile; but please be considerate and don't hoard firewood. Don't take wood once it is stacked under burning art or from volunteer departments.

- No generators in areas marked "quiet camping" on the site map

BE PREPARED FOR WEATHER EXTREMES

Our event is held rain or shine. It has been held during Nor'Easters, severe thunderstorms, coastal flooding, plagues of insects, and record heat and cold. A shade or rain structure can be helpful and shared with neighbors. Be sure to properly stake or rebar any structures you erect. Tents have blown away and out of the event grounds, becoming MOOP. Shade structures have become windborne and hit people in the head.

STAY HYDRATED!

Dehydration is a very serious risk at PDF; DRINK WATER, and lots of it. Alcohol and caffeine dehydrate you; it is not water.

STAYING WARM

Evenings can be cold in this part of PA. Please bring sufficient clothing and sleeping supplies to avoid possible hypothermia.

TICKS, WILDLIFE, AND LOCUST TREES - OH, MY!

TICKS

It's possible there will be ticks in the area that carry Lyme and other tick-borne diseases. All participants are encouraged to practice Radical Self Reliance and get educated on ticks and Lyme Disease before arriving at the event. Frequent tick checks and tick repellent are strongly suggested.

WILDLIFE

Local wildlife includes black bears, foxes, bobcats, coyotes, raccoons, rattlesnakes, copperheads, and deer. Interaction with wildlife isn't expected as the noise of the event will likely keep wildlife away, however, if you encounter a black bear, identify yourself by speaking in a calm, appeasing tone and back away slowly, preferably in the direction you came. We strongly recommend wearing boots because both rattlesnakes and copperheads are venomous.

LOCUST TREES

They are present on the property and have big thorns, really BIG thorns. We strongly suggest wearing boots and making sure the area where you set up your tent is free from locust tree debris and stumps. Each year we try to remove more and more locust tree stumps so over time they are less and less of a problem; you can help by bringing a shovel or a small hatchet and taking the time to remove some.

PDF MAYOR 2025

PDF is a city and it has a Mayor! The Mayor is a member of the Board of Directors who makes themselves available to listen to community member's ideas, dreams, concerns, and complaints about PDF. The Mayor has been known to take bribes (especially good cider). You can, of course, talk to any board member throughout the weekend, but the Mayor is a board member who makes themselves conspicuous for your convenience. If you have any questions or concerns (or bribes), look for the Mayor.

THIS YEAR'S MAYOR IS WAX!

Wax's first PDF was Spring 2012 and he attended on and off for a number of years, usually bringing some kind of large, strange LED artwork. In 2019 he started leading Rangers at PDF and continued to do so in 2022 and 2023. He was trying to quietly slip off his khaki vest and run away when he was voted onto the FPCS board of directors in late 2023.

In 2024, he spearheaded the creation of two bits of burn-centric software - Peacock (ticketing) and Quail (logs, equipment check in/out, and waivers). Due to having a bit too much fun playing with the radios, he became a licensed amateur radio operator in 2024 and used those new skills to make our new "flamingo" pink lamp call boxes.

Today he continues to make big weird light-up art and loves teaching people how to make their own. He's also constantly on the lookout for more delightful weirdos looking to help make FPCS events even more awesome. Oh, and he's recently been elected the president of the FPCS BOD. Basically he's a goddamn nerd and clearly a glutton for punishment too.

You can find Wax with a bunch of other weirdos with a responsibility kink at Camp 4GoldFingers.

A BRIEF HISTORY OF PDF

PDF began with about 20 East coast residents who were preparing to make their first journey to Burning Man in the Nevada desert, and wanted to get together a little closer to home to celebrate the spirit of the event. They joined together on the beach of Assateague Island on Maryland's coast on August 1st, 1998. In the spring of 2001, Playa Del Fuego had grown so much that a new site was needed to accommodate all the participants and it moved to Flemings Landing, DE. In 2018, Playa del Fuego found a new home in Tamaqua, PA where it remains today. PDF is a 100% volunteer-run event, with volunteers administering art grants, managing parking, facilitating workshops, handling ticket sales, and so much more.

WHY IS THE EFFIGY A PONY?

Assateague Island, where PDF first began, is home to Chincoteague ponies (or Assateague horses) that freely roam on the island. While phenotypically horse-like, they are commonly called "ponies". This is due in part to their smaller stature, created by the poor habitat on Assateague Island. Assateague's horses are beautiful, tough, and wild. They have learned to survive in a harsh environment. There are few places in the United States where you can view wild horses. Due to their complex social structure the Assateague horses display a wide range of unique behaviors. With careful management, the wild horses will continue to thrive on Assateague Island and provide enjoyment to thousands of nature enthusiasts, photographers, and people who just love horses!

LAND ACKNOWLEDGEMENT

**We respectfully acknowledge the land on which we gather is the
unceded territory of the Lenape Haki-nk
(Lenni-Lenape) People and Susquehannock People.**

What is a Land Acknowledgement?

Acknowledgment is a simple, powerful way of showing respect and a step toward correcting the stories and practices that erase Indigenous people's history and culture. Acknowledgment by itself is a small gesture. It becomes meaningful when coupled with authentic relationships and informed action.

Tamaqua has a rich indigenous history. The People of the Lenni Lenape Nation have been on this land well before any of our ancestors. We are a group of people who believe strongly in Civic Duty and leaving the land as we found it (LNT). We need to go beyond the confines of our events to be true to those words, because a Land Acknowledgement without genuine action is deeply performative.

Presently the people of Lenape Nation are in a battle with Pennsylvania for official recognition. Pennsylvania is 1 of 13 states to refuse recognition to any Native Indigenous People in the state. The Lenape Nation has an organization working on preserving the culture, educating their young people on the language, and they are continuing to fight for recognition.

This is where our civic duty comes into play. Let's help them continue to fight.

Take Action - Make a difference!

DONATE: lenape-nation.org/donate

FREE ACTION: Sign the Petition: lenape-nation.org

You can make a difference by signing the petition and writing to local and state legislators in Pennsylvania. Contact information is available on the website above.

CITY PLANNING DRONE FLIGHT

PDF City Planning, in collaboration with the Firepony Board of Directors, will be conducting a brief drone flyover to capture an aerial view of our town when the playa is full. Flying at an altitude of 200 feet along the main roads, this footage will help us better understand our space and plan for future growth.

To ensure privacy, the drone will operate at a higher altitude with lower resolution, making individuals indistinguishable. If any recognizable details appear in the final rendering, they will be blurred, and the original footage will be deleted. If you'd like to join in the fun, feel free to leave us a creative message visible from 200 feet up!

After completing the site survey, we will also take video and photographs of the stunning art pieces in the main field at a lower altitude and higher resolution.

Please note: Personal drones are not permitted at FirePony Creative Society events. This is a special-purpose flight conducted by the Department of City Planning.

THE OTHER APPLE D8

Bardja Saeedi, David Zdancewiz, Bradley Snyder, Jacob Mast, Joy Nickols, Mark El-Rayes

One of the apples in the orchard left behind when Adam and Eve descended down to earth, has appeared on Playa. This apple is so big that it has uprooted its tree. It reminds us of the first ever traumatic experience in the human existence, when they bit that one other apple. The seeds inside this apple contain a parallel universe each. Do these parallel universes offer a healing opportunity?

REFUGIA B18

Laura

Refugia is an installation built from modular art objects created with fallen branches bound together with rope and yarn. The structure of the installation will establish a welcoming and protective space people can enter that will help them integrate with the environment and themselves. An inquiry into dynamic balance and non-Euclidian building architecture, the installation process uses minimal tools and no electricity. CAMP DREADFUL H5

Once upon a burn so dreary,
Full of goth kids, Weird and eerie
T'was some campers celebrating horror, guts, and gore

As I'm boofing, after unpacking,
I found the music, it was lacking,
Blasting Souxsie, Peter Murphy, and The Cure,
"Such a dreadful theme camp," I uttered. "I'll do my best to ignore-
It's their entire aesthetic I abhor."

CAMP DU JOUR C2

Written by a deranged madman at 11:28 AM on a Thursday:

YOU: You know, we've been doing this for a little while now, and I think it's time we sat down and figured out, what are we? What are we even doing here? Where do you see this going?

US: Some truly, genuinely weird places, that's where. This camp is, on its surface, a sound camp. Sound with a bar, lounge, fire circle. Great. But we're here for the infinite possibilities. We're known as Camp Du Jour off-playa. But we're going to get our playa name! And then another one. And then another one. With the assuming and discarding of names, we plan to take on new temporary identities, shifting focuses, like a mutated phoenix emerging horrifically from the ashes of whatever the hell we were before. The only constants we want to embrace are change and chaos. Give us entropy or give us death! Which

is also entropy!

YOU: *backing away slowly* Yeah, cool, cool. I'm gonna...go over here and do this thing.

US: That's our thing, too, baby!

CAMP FIELD TRIPPIN' C10

We're a group of your favorite class clowns, bad influences, and teacher's pets who all got top of their class for hijinks & hilarity! Learn something new, compete in our wacky games, enjoy a good old fashioned slumber party where no one ever sleeps and dance the night away to our funky beats!

CAMP GOOD QUESTION 3: WHO ARE WE?? D5

It's been a dark and stormy year, full of intrigue and philosophical conundrums. Camp Good Question has been plagued by strange dreams... visions of pyramids, giant owls, something called the bananaLuminati. Who is bananOsho? What is Banananon? And why do we keep waking up with new tattoos?

We've been trying to work it out on our cork board but we just can't seem to crack it. Come by our camp and help us connect the dots. What is the question...and is it a good question... only you can help us find out...

CAMP MMMMMMMMMMM H23

Camp MMMMMMMMMMM offers a chill space for meditation and discussions on philosophy, spirituality and mysticism, consciousness and altered forms of it, reality creation, sex and sexuality, art, music, and creativity, as well as Oracle card readings. THEME CAMPS

MAHNA... E12

Food good. Tree pretty. Fire awesome! Yay boobies!!! Mahna Mahna has changed forms (hence, the new shorter name) but we're still a group of jovial muppets who bring silliness and shenanigans wherever we go. Come by our camp to take a break for a bit, say hi, help us come up with terrible dad jokes, or make some jewelry during one of Silver's jewelry-making workshops. We'll still be happy to serenade you with a shortened Do Do Dododo!

ME, MYSELF & I H6

This is base camp for Me, Myself & I which are life size Marionettes I adorn myself.

MOSTLY HARMLESS 42

Our Mostly Harmless team hosts you for pangalactic gargle blaster cocktails at our HHGG "Bar at the End of the Universe" during the afternoon on Sat and Sun. Our Ginger Campmates will be inviting passers by to participate in screen printing Sat and Sun as well - bring your favorite pieces of Playa clothing for Burner and other related silk screening!

NOT A SOUND CAMP C6

At Not a Sound Camp, we invite everyone to connect without using spoken language. We celebrate all forms of sound-free communication—signing, gesturing, writing, drawing, hugging, sly winks, shrugs... whatever works! Why? Many of our camp members are Deaf, and sound-free connection is our gift to the Burning Man community. This is the heart of the Not a Sound Camp experience. We host events like silent movie nights, charades, sign language karaoke, funny sign language lessons, burner name sign ceremonies, and thought-provoking exhibits on the psychology of hearingness.

PANDORA'S FLOWERS D2

Pandora's Flowers is open to all! As always, we will have our campfire burning all night long. Please come by to warm your bones. This year we have an ongoing Seed Swap and garden chat. The event will kick off on Friday at 2:00 pm with a Garden Party along with Nip's Seed Swap, which will be open til Sunday afternoon. Please come by and say high!

PONDER'S DEN H4

Ponder's Den is a chill, welcoming theme camp focused on relaxation, connection, and good vibes. We're a laid-back crew that loves creating cozy spaces for people to hang out, meet new

friends, and unwind. In previous years, we were known for our rowdy poker nights and card game marathons, but this year we're shifting into something even smoother: a smoking lounge-style hangout. Come by to enjoy a mellow atmosphere, share stories, swap gifts, and vibe out with us. Whether you're passing through or posting up for a while, Ponder's Den is here for deep laughs, easy company, and the simple joy of taking a breather together.

PROFESSOR WILLIE'S THEME CAMP E8

Professor Willie's 1960s liquid light show

The 1960s liquid light show is a live show... created while you watch! Projected psychedelic imagery, similar to the visuals used by '60s psychedelic bands, such as Jefferson Airplane and Pink Floyd, will include imagery produced using liquid dyes and colored oils, augmented by slides, videos, and laser patterns. Tune in and turn on to the psychedelic imagery and music of the '60s!

PYRAMID PEOPLE E9

We are the people who really like pyramids. We camp under a giant purple pyramid, and we play tabletop games with colorful little pyramids. We've even been known to give away pyramid necklaces. Pyramids are cool. Besides pyramids, our chill space features Andy TV, a zany 6-screen video art project. But sometimes, even that is about pyramids. Because pyramids.

THE IMAGINARIUM H7

Your imagination called. It wants your spark back! Come and find it at The Imaginarium.

THE POISON FACTORY C9

We are a group of chaotically chill individuals who collectively make up one 10-year-old schoolboy from the 1912 whose boss is going to be really steamed at him if he late for his job at The Poison Factory. We aim to create a safe and welcoming space rooted in connection, kindness, and maximum silly goosery.

WIZARD CAMP F3

A towering glowing courtyard of colorful lights, you can't miss it! Come make new friends, restore your HP and mana with a potion (or don't), warm yourself by our fire, bask in the colors, enjoy some tunes!

WOULD U RATHER? F9

Would U Rather? is your stop for food, drinks, fun, friends, and relaxation! Whether it's hot breakfast, delicious all-day coffee, social gatherings, shady spaces to sit, a warm firepit at night, or our interactive namesake game, we're happy to welcome you.

In collaboration with Allidaseuq, we have formed a village for Spring PDF 2025 and have changed our name from "Free Candy" to "Ydnac Eerf" in solidarity! Free Candy is a Halloween theme camp. We serve questionable treats with our bar wagon, our bagon, that can travel and appear anywhere at anytime. We will not stop spreading the good word of Candy until he is free. Candy is you. Candy is we. Free Candy is not just a camp. It's a people. It's a movement.

YOU ARE HERE H13

Connection, celebration, authenticity, being in the present moment.

CONSENT-BASED CULTURE

Playa del Fuego promotes a consent-based culture. In the spirit of Civic Responsibility the PDF Planning Committee invited Assterix to help us teach and remind us all the principles of a consent-based culture that we are calling, "Don't be an Asshole".

MEET ASSTERIX, THE "DON'T BE AN ASSHOLE" PONY

Assterix is a Boundary Affirming Pony

You don't need to change your boundaries for someone.

Boundaries can be different for every person and in every moment.

It's OK if you haven't figured out where your boundaries are yet.

Are you dealing with an asshole?

You can be direct or indirect. Get help from a friend or call a Ranger for assistance.

Say "Stop" - You always have the right to say "stop", or "that is not okay."

Address the specific behavior that is harmful. Someone may not be aware of how they are acting.

See Something Happening? Here are some options.

Step In - Directly intervene in a situation. Speak up about the harm. Be firm and clear.

Interrupt either the person causing harm or the situation.

Take an indirect approach to de-escalate the situation.

Distracting attention away from the person causing harm gives the person experiencing harm time to move away.

**Are you
being an
asshole?**

Here are some ways to stop being an asshole.

Ask a friend to be your asshole buddy. Listen when they tell you that you have or are about to cross a line.

If someone wants to talk to you about your behavior, and you listen, you are part of the solution, not part of the problem.

If someone wants to talk to you about your behavior, it's OK to feel defensive and still listen.

If substances are involved, you could be breaching someone's boundary even if they verbally consent.

Body language alone can't say "Yes", but it can say "No".

You don't have to have all the answers. We're all learning together.

Just because it's ok now doesn't mean it's ok later.

If someone says "No", they might not feel like explaining themselves either. That's OK.

GUIDING PRINCIPLES

Playa del Fuego is a Regional Burning Man event.
The 11 Principles of Burning Man guide our community.

11 PRINCIPLES OF BURNING MAN

RADICAL INCLUSION

Anyone may be a part of Burning Man. We welcome and respect the stranger. No prerequisites exist for participation in our community.

GIFTING

Burning Man is devoted to acts of gift giving. The value of a gift is unconditional. Gifting does not contemplate a return or an exchange for something of equal value.

DECOMMODIFICATION

In order to preserve the spirit of gifting, our community seeks to create social environments that are unmediated by commercial sponsorships, transactions, or advertising. We stand ready to protect our culture from such exploitation. We resist the substitution of consumption for participatory experience.

RADICAL SELF-RELIANCE

Burning Man encourages the individual to discover, exercise, and rely on their inner resources.

RADICAL SELF-EXPRESSION

Radical self-expression arises from the unique gifts of the individual. No one other than the individual or a collaborating group can determine its content. It is offered as a gift to others. In this spirit, the giver should respect the rights and liberties of the recipient.

COMMUNAL EFFORT

Our community values creative cooperation and collaboration. We strive to produce, promote, and

protect social networks, public spaces, works of art, and methods of communication that support such interaction.

CIVIC RESPONSIBILITY

We value civil society. Community members who organize events should assume responsibility for public welfare and endeavor to communicate civic responsibilities to participants. They must also assume responsibility for conducting events in accordance with local, state, and federal laws.

LEAVING NO TRACE

Our community respects the environment. We are committed to leaving no physical trace of our activities wherever we gather. We clean up after ourselves and endeavor, whenever possible, to leave such places in a better state than when we found them.

PARTICIPATION

Our community is committed to a radically participatory ethic. We believe that transformative change, whether in the individual or in society, can occur only through the medium of deeply personal participation. We achieve being through doing. Everyone is invited to work. Everyone is invited to play. We make the world real through actions that open the heart.

IMMEDIACY

Immediate experience is, in many ways, the most important touchstone of value in our culture. We seek to overcome barriers that stand between us and a recognition of our inner selves, the reality of those around us, participation in society, and contact with a natural world exceeding human powers. No idea can substitute for this experience.

CONSENT

Considered as the "11th Principle" by some, consent respects the autonomy of the individual, who has the right to make their own choice about their own body, property, personal space and privacy.
