THE BASICS

WHAT IS PLAYA DEL FUEGO?

Playa del Fuego is a sanctioned Regional Burning Man Event in Tamaqua, PA. The event takes place on Memorial Day weekend in Tamaqua, PA, with its sister event Constellation taking place on Indigenous Peoples Day weekend. Both events are hosted by FirePony Creative Society.

Playa del Fuego, also known as PDF, is a Mid-Atlantic Regional Burning Man Event.

Playa del Fuego is an experiment in collaborative community building featuring art, music, and a culture of play. This community is created by volunteers working together utilizing the Ten Principles of Burning Man as our guide. There are no spectators at Playa del Fuego; everyone collaborates in some way to create the event. It's a place for radical self-expression, acceptance, inclusivity, and respect.

WELCOME HOME!

We know you are very excited but please stay in your car and have your IDs ready!

TICKETING 101

- You **MUST** show up with a **VALID GOVERNMENT- ISSUED LEGAL PHOTO ID** that matches the info on the waiver you signed for your ticket.
- If you have more than one adult ticket associated with your ticket account, you're doing it wrong.
- No print outs or other forms of ticketing will be accepted at the gate.
- Please don't ruin others' experiences by pleading ignorance and jamming up the entry line.

A valid ID consists of:

- A valid photo driver's license issued by a state Department of Transportation
- A valid photo identification card issued by a state Department of Transportation
- A valid Armed Forces ID card containing the holder's photograph
- A valid passport, passport card or travel visa containing the holder's photograph

IDs must contain a picture, a birthdate and cannot be expired. Original document must be shown; no photocopies or phone images allowed.

MINORS

All minors must be accompanied by a legal parent or guardian. Minors are now required to have a ticket and a completed minor waiver in their parent/guardian's Peacock account.

WRISTBANDS

Gate volunteers will check your ID and retrieve your wristband. **Participants must wear this wristband while on-site for the duration of the event.** If a wristband breaks or is removed, it may be replaced by exchanging the broken band for a new one at the front gate. Please bring your photo ID with you. If someone asks to see your wristband, it's cool, just show them.

TEMPORARY UNLOADING

So that everyone gets a chance to come in and unload in a timely manner, participants are allowed no more than **30 MINUTES TO UNLOAD** their vehicle. If you leave your vehicle at your site longer than 30 minutes, you may be towed. Please only drive on marked roads, for everyone's safety! **ONCE YOU UNLOAD YOUR VEHICLE, RETURN PROMPTLY TO THE PARKING LOT.**

PORTA POTTIES

NOTE: THERE IS NO ONSITE WATER, THERE ARE NO SHOWERS, THERE ARE NO FLUSHING TOILETS

There are plenty of porta potties that get cleaned during the event. **IF IT DOES NOT COME FROM THE BODY, DO NOT PUT IT IN THE POTTY!**

Single ply TP is the only exception. No beer cans, no tampons, no baby wipes! Please bring zip-lock bags for your wipes, pads, or tampons and take it with you as part of the Leave No Trace ethic.

Hand washing stations are also provided around the playa. Please **DO NOT** use these stations for drinking water, dishwashing or bathing.

ICE PICKUP & SALES

Bags of ice will be available for purchase on-site during ice pick up times. Ice is \$3.50 per 7lb bag via credit/debit cards. There will be **NO CASH SALES ONSITE.**

Ice pick up times are Friday, Saturday and Sunday from 11:00 AM - 12:00 PM (Noon) and 5:00 PM - 6:00 PM at the Frozen H2O truck.

LAMPLIGHTERS

More than a public utility, the Lamplighters are a symbol of community, of participation, and a clear sign that the day has passed, and that evening magic will soon be upon us. Procession starts

around 6:30pm every day to perform the ritual of lighting up our nights; and then gather together in the morning to take down the lamps and prep for the next evening. Lamplighters bring light to the darkness so the rest may party all night long!

INFORMATION BOOTH

The Information Booth is the place to go for all things PDF. Want to know what event is this afternoon, where the local tow company is, or what burns tonight? Well, we may not have ALL the answers, but we can usually find it, or make up something really entertaining. There is always the Magic 8 Ball which has one setting and you can be sure it'll be unhelpful. Visit the Information Booth located under the same roof as Participation Station.

CENTER CAMP

Center Camp is a new feature of PDF. It's just like at the big burn, but smaller... and completely different.

It is a place to gather, hang out, perform, entertain, feed, demonstrate... whatever you want it to be. Many events have the space reserved, but that doesn't mean you can't be there in between scheduled events. This is your community space. Do with it what you will. (Within reason. Leave no trace, keep events family friendly, and don't destroy PDF property).

YOUR RESPONSIBILITIES

PARTICIPATE / VOLUNTEER

There are no spectators at PDF. You can participate in many ways, including volunteering, interacting, or sharing your art. **Playa del Fuego is ENTIRELY run by volunteers.** You are strongly encouraged to pick up some volunteer shifts during the event. Stop by **Participation Station** to see what shifts are available. Anyone can volunteer, even first-timers.

Volunteering for six (6) hours or more earns you a reserve ticket to the next PDF! See the back cover for more info on the Volunteer Reserve Ticket Program (VRTP).

Participation Station Hours:

Thursday, 4pm - 10pm
Friday, 9am - 9pm
Saturday, 9am - 6pm
Sunday, 9am - 6pm

VOLUNTEERING HAS ITS REWARDS!

CONSENT

You are responsible for getting express enthusiastic consent before entering a camp, going in for a hug, touching a person or their things, taking a person's picture, or having sexual relations.

Consent is an affirmative, unambiguous, and conscious decision by each participant to engage in mutually agreed-upon activity. The consent has to be ongoing throughout any encounter, and enthusiastic consent is best!

I WAS INVITED TO HELP REMIND YOU THE PRINCIPLES OF A CONSENT-BASED CULTURE.

LEARN MORE ABOUT CONSENT FROM ASSTERIX ON PAGE 74!

EASY CONSENT GUIDE:

- NO means NO.
- NO means NO the first time, every time, and completely.
- No cajoling, no "c'mon please", no emotional blackmail. NO means NO!
- YES means YES. Enthusiastic YES is best!

- SILENCE = NO. MAYBE = NO. NOT YET = NO.
- Only YES = YES.
- Consent IS binary! Consent can be revoked at any time, even if you have touched that person in that same way before. Consent can be revoked after saying YES. You do not have the right to touch anyone without an enthusiastic and ongoing YES! This goes for hugs, handshakes, sexual activity, and shiny costumes!

SELF RELIANCE

You are responsible for your basic needs (food, water, shelter), your safety, and your wellbeing the entire time of your stay at PDF. We call this Radical Self Reliance.

STAY HYDRATED!

Dehydration is a very serious risk at PDF; DRINK WATER, and lots of it. Alcohol and caffeine dehydrate you; it is not water.

STAYING WARM

Hypothermia can be a serious risk at PDF; Please bring sufficient clothing and sleeping supplies to avoid possible hypothermia.

FIRE SAFETY

It is your responsibility to Burn All the Things safely! Tent fires and fuel fires are a real threat.

AT A MINIMUM, EVERY BURNER SHOULD BE AWARE OF THE FOLLOWING SAFETY RULES:

- All Fire Pits / Campfires / Burn Barrels must be attended at all time and are to have a burn shield or be elevated minimum 6 inches off the ground to avoid burn scars (burn scars are a trace!)
- All Fires and Generators must have 5 gallons of water or 5 lb. ABC Fire Extinguisher, or both, as appropriate for fuel type
- Fuel storage areas must have a "No Smoking" sign
- There should be a 15 ft min clearance from any tents
- No fire source should be under any canopy/structure
- No Fire Spinning without a safety. No exceptions.
- No Fire Spinning near combustibles
- All liquid fuels must be maintained at a minimum of 30 ft from any fire, ignition, or radiant heat
- Loud generators are to be properly baffled with fire retardant materials

LEAVE NO TRACE / MOOP

Practicing a Leave No Trace Ethic is simple: leave the place you visit the same or better than you found it; leave no trace of your having been there.

MOOP = MATTER OUT OF PLACE.

At all times on the site, you are responsible for the trash you create. Carry your trash back to your camp and take it home with you!

**NO PUBLIC TRASH CANS,
NO DUMPSTERS,
PACK IT IN - PACK IT OUT!**

LEAVE NO TRACE TIPS:

- Do a MOOP sweep of your camp all weekend long, and a final MOOP sweep before you go.
- Do Not Use the Playa as Your Toilet - Porta Potties are provided. Porta Potties are NOT trash cans; take your beer cans with you!
- Add a ziplock type bag to your pocket or bag to collect trash you find as you wander.
- Be Aware of Very Small Items - Be conscious of spare nails, cigarette butts, peanut shells, etc.
- Do NOT pour leftover fuel or genny gas on the Playa!
- Minimize Fire Impacts - Avoid creating a burn scar by using a raised fire pit, or use fire shields to protect the ground.
- Pockets, Bags, and Carabiners are great! When you visit a camp, take your trash with you.
- Collect your recyclables and take them to Green Your Burn camp, located near the Ice Truck. Items accepted: aluminum cans (uncrushed), food scraps for composting, empty propane canisters, vapes/ e-cigs, cigarette butts, and glass/plastic beverage containers only with a NY \$0.05 deposit (non-redeemables will be returned to donor). Proceeds will be donated to 2027 PDF art grants. Hours for collection are Friday, Saturday, Sunday 11 am - 1 pm and 4 - 6 pm; Monday 10:30 am - 12pm.

GRAY WATER MANAGEMENT

The Tamaqua site has no water. You are responsible for bringing enough water for the duration of the event and for packing out the water you can't disperse when you leave.

What is Gray Water? Water that has been used for cooking, washing, dishwashing, or bathing and contains soap, detergent, food scraps, or food residue.

Disperse: Small amounts of "light" gray water such as shower water that used biodegradable soap can be sprinkled around on the ground so as not to make a puddle. For dishwater that used biodegradable soap, best practice is to use a fine strainer to remove fine food particulates and add a drop of bleach to sanitize before sprinkling about.

PACK OUT: ALL OTHER GRAY WATER AND GREASY MESSSES MUST BE PACKED OUT!

RULES

CODE OF CONDUCT

FirePony Creative Society (FPCS or FirePony) strives to keep the number of rules to a minimum, however certain types of behavior serve only to harm other participants, the event itself, and/or the community. Radical inclusion means that strangers are welcome to participate in our community; it does not mean tolerance of harmful behaviors.

The Code of Conduct identifies behaviors and actions that will not be tolerated at any FPCS sponsored event, including Playa del Fuego (PDF), Constellation, the Mid-Atlantic Leadership Conference (MALC), and recipients of grant funds through the Community Art and Civic Engagement (CACE) program.

In addition to the conduct detailed below, participants of any FirePony Creative Society-sponsored events are expected to comply with all federal, state, and local laws.

The FPCS Conduct Committee is the mechanism by which reported conduct incidents are investigated.

Information and resources regarding the Conduct Committee can be found on our website: firepony.org/conduct-committee/

PROHIBITED BEHAVIORS

The following types of behavior are unacceptable at FirePony Creative Society-sponsored events, including, but not limited to, Playa del Fuego and Constellation, and may result in a Conduct Committee Review:

CONSENT VIOLATIONS

Non-consensual and unwanted contact with the body of another, especially of an aggressive or sexual nature, regardless of claimed intent. Unwanted sexual attention, including sexualized comments or jokes. Non-consensual intoxication (includes gifting intoxicants without disclosure and putting a drug into someone's drink without their knowledge). Also includes non-consensual demeaning speech, predatory behavior, and aggression, as well as doxing, blackmail, and the taking of photographs or video without the express consent of those involved (see "Media Without Consent" below). FPCS supports body autonomy for all participants and direct and unambiguous enthusiastic consent is expected of all participants at all times.

HATE SPEECH

Any conduct, depiction, video, image, audio, gesture, symbol, art, item, and/or discussion ("content") that consists of abuse, threats, intimidation, animosity, attacks, or incitement of attacks against an individual or group of people and is defined in terms of race, ethnicity, national origin, gender expression, religion, sexual orientation, immigration status, disability,

health status, economic status, location, or any identifying characteristic. Hate Speech includes slurs and any content that incites the hatred or violence against these groups as well as praise and/or glorification of terrorism, organized crime, hate groups, and/or dangerous individuals or groups, including any/all Nazi and White Power content, symbolism, items, or expression (including the Confederate flag).

Hate Speech that is shared in an educational, historical, satirical, or artistic manner with the spirit of challenging it or raising awareness is allowed; however the intention surrounding that content must be clearly evident (such as WWW or sign at the art piece explaining the intent) and the participant must be willing to engage in respectful discussion with the community about their content if they request it.

BULLYING, INCLUDING STALKING AND HARASSMENT

Any conduct that intimidates, abuses, menaces, or threatens participants and/or has the intention to exclude, silence, shame, or degrade a participant (or group), or incites others to do so. Includes all manner of stalking and harassment, including conduct such as intimidation, verbal assaults, threats of violence or harm, unwanted degrading or shaming speech, unwanted humiliation, and repeated unwanted contact, both in person and electronic.

ENDANGERING OTHERS

Any conduct or content that puts others in serious danger, including personal attacks and violence, unsafe or intoxicated operation of any vehicle (includes your personal vehicle, golf cart, art car, and bicycle), unauthorized fireworks, unsafe flame art and/or burning art, not maintaining general fire safety protocols (such as spinning fire without a designated safety or improper storage of fuels), and/or violations of any safety and fire policies provided by a FPCS sponsored event.

ENTERING A FPCS SPONSORED EVENT WITHOUT A TICKET OR SERVICE CONTRACT

All participants, volunteers, coordinators, board members, landowners, etc. gain entry to our events by purchasing a ticket, signing the Code of Conduct, and presenting a valid ID at the gate. Vendors, such as ice delivery or the porta potty cleaners, are under contract with FirePony Creative Society and are allowed on site to fulfill their contracts. Any other entries are unauthorized and will be considered trespassing. Aiding or helping an unauthorized entry get into a FPCS sponsored event will also be considered trespassing and will subject that participant to repercussions.

DESTRUCTION, USING, OR TAKING OF PROPERTY

Includes theft, destruction, and vandalism of any property, including FPCS infrastructure as well as

landowner, vendor or participant property. Consent applies to things as well as bodies. If it is not yours, leave it alone, unless you have the consent of the owner of the property.

MEDIA WITHOUT CONSENT

Direct and unambiguous consent is required before photographing or recording any participant at a FPCS event. Direct and unambiguous consent is also required when sharing any video, photograph, or content depicting a participant taken at a FPCS sponsored event on social media. Absolutely no media, content, video, image, description, or depiction of a FPCS event may be used for commercial purposes without prior written consent of the FPCS Board of Directors.

OTHER BEHAVIORS

Other types of behaviors that are prohibited include but are not limited to possession of a firearm, serving alcohol to someone under 21, impersonating a volunteer, repeatedly breaching a fire perimeter, harassment of wildlife, negatively impacting the surrounding community by dumping trash in local dumpsters, trespassing, operation of a drone, or egregious violations of a FPCS sponsored event's sound policy or ban list, including bringing animals that are not service animals.

REPERCUSSIONS

Participants in violation of this Code of Conduct at any FPCS sponsored event may be removed from that event, depending on the severity of the transgression. All removals from the event will result in a Conduct Committee case to review for additional repercussions, up to and including the suspension from participation in one or more future FirePony Creative Society-sponsored events (such as Playa del Fuego and Constellation). Other actions, such as a formal warning or the removal from volunteer position(s) are also possible.

Transgressions that violate federal, state, or local laws will be escalated to the appropriate authority.

Fine Print: The prohibited behaviors outlined in this document are a non-exhaustive list. Nothing in this document is intended to or shall waive the right of the FirePony Creative Society Board of Directors to restrict the access of an individual or entity to any FPCS sponsored event as it may determine, in its sole discretion, is warranted.

ILLEGAL ACTIVITY

Please note: Playa del Fuego, Inc. does not condone ANY illegal activity. We create a temporary city with its own rules. This city coexists within an area of real laws. Try to make that coexistence a peaceful one. Abide by all relevant local, state, and federal laws. If you see law enforcement officers, be nice to them. PDF will cooperate with all local, county, state, and federal officials. We all share an interest in having a smooth event.

DRINKING AND DRIVING

Don't be stupid, motorized vehicles don't mix with intoxication. Any ticket holder found driving while intoxicated/under the influence may be ejected from the event. This includes cars, RVs, buses, electric bicycles, art cars, tractors, golf carts, motorized scooters, and similar devices.

MINORS AND CHILDREN

You are solely responsible for the care, supervision, and well-being of your minor or child AT ALL TIMES while attending PDF.

THE GIFTING ECONOMY

VENDING OF ANY KIND IS NOT ALLOWED. Gifting Economy is part of the 10 Principles and means that everything being offered by a camp is free.

Gifts can be anything from a hug or a helping hand, to some batteries for your air bed pump, or a theme camp bar giving away drinks. Gifts are given without the expectation of anything in return. **Bartering is discouraged!**

A Gifting Economy does not mean all property is free property. Ask before you touch or take anything. If it doesn't belong to you, it doesn't belong to you. Please be respectful of people and their things. Consent includes touching or using other people's stuff.

HEALTH AND SAFETY

PDF is truly a community and we are here to help you navigate your burn! Amazing volunteers step up and put in long hours to help you when you need it most!

IN THE CASE OF A LIFE THREATENING EMERGENCY, CALL 911

THEN LOCATE A PINK LAMP CALL BOX OR ANY VOLUNTEER WITH A RADIO TO CALL FOR A MEDIC

Medical issues beyond the scope of basic first aid can be triaged and escalated via ambulance to the nearest medical facility.

FIRST AID

Band-aids and other basic first aid supplies are available at Ranger HQ. Try to be self-reliant and bring a first aid kit to take care of your own minor issues.

RANGERS

Rangers are not cops and they are not your mom, but they wear a lot of khaki! They are here to help you resolve conflict via the FLAME method and document conduct issues. **FLAME: Find Out, Listen, Analyze, Mediate, Explain.** In times of need, RANGERS are your friend!

Visit a Pink Lamp Call Box or look for someone with a radio to call for a Ranger. Or if no one is around, just start calling loudly for a RANGER, and someone will hear you and respond.

Interested in becoming a Ranger? Or a Medic and have Medical Certification (EMT or above)? If so, come by Ranger HQ on Friday night at 7 pm for Ranger Training/Medic Orientation.

PINK LAMP CALL BOXES

These pink lamp call boxes are distributed throughout the Playa, and their locations are marked on the map. They enable participants to radio for Rangers/Medics/Burning Arts Response Team directly from each call box. Instructions for use are posted on each call box.

**NEED A RANGER OR MEDIC?
SOMETHING IS ON FIRE THAT SHOULDN'T BE?**

USE A PINK LAMP CALL BOX TO GET HELP

MOBILITY SHUTTLES

Shuttles (golf carts) will be going throughout Playa picking up people that are waiting at stops. Please look at the map to see the pickup locations. The focus will be people with mobility issues, while giving rides to others when there is room. Shuttles will have a "SHUTTLE" sign in the front windows and lights at nights to let you know they are coming.

SANCTUARY

Sanctuary provides a positive space for those experiencing mental, emotional, or spiritual distress. Not feeling well, but it's not a medical issue? Triggered? Anxious? Simply overwhelmed at all the stimuli and need a quiet space? Sanctuary is here for you, gentle burner. You are safe here.

FIRE, FIREWOOD, & GENERATOR POLICY

Playa del Fuego embraces Open Fire and Flame Effects Art, Fire Spinning, and camp fires conducted in a safe and responsible manner. The reality of a tent fire or a more serious situation arising from its misuse is a threat to the future of our event and participant safety. Violation(s) of these policies could result in confiscation of the art and/or ejection from the event.

View the Fire, Firewood, and Generator Policy here: playadelfuego.org/policies/fire-firewood-generator-policy/

FIREWOOD

Firewood is included in your ticket price, and you are welcome to have a fire in your camp in a fire pit or burn barrel, as long as there isn't an active fire ban.

Participants are welcome to take as much firewood as they need from the designated pile; but please be considerate and don't hoard firewood. Don't take wood once it is stacked under burning art or from volunteer departments.

UN-USED FIREWOOD MUST BE RETURNED TO THE MAIN PILE on Monday. This is a Leave No Trace event. Extra firewood is MOOP. Put it where it belongs!

OPEN FIRE AND FLAME EFFECTS

All fires, regardless of the fuel, must be:

- Attended at all times
- Extinguished immediately at the request of any member of the Fire Safety Team or a Ranger
- Extinguished immediately if the wind picks up such that the fire throws sparks
- Maintain a safety perimeter of one and a half times the height of the flame effect.
- Have 5 gallons of water or 5 lb. ABC Fire Extinguisher, or both, as appropriate for fuel type.
- All liquid fuels must be maintained at a minimum of 30 ft from any fire, ignition, or radiant heat.
- All fires are to have a burn shield or be elevated minimum 6 inches to avoid burn scars.
- Fuel storage areas must have a "No Smoking" sign posted.

FIRE SPINNING

- Fire Spinners must have an accompanying safety. No exceptions!
- Safety must have fire blanket/duvet and extinguisher, either a double can or locking container dump system.
- No Fire Spinning near combustibles.
- Maintain a safety perimeter for spinners and audience.

FLAME EFFECTS AND PROPANE FLAMES

- Flame Effects must be approved for use onsite by the Fire Safety team.
- Flame Effects must be constructed in such a way as to meet or exceed applicable laws, codes, and industry standards.
- All Flame Effects and propane powered art must have a 1/4-turn shut-off valve that is exposed, visible at all times, and CLEARLY MARKED as the Emergency Fuel Shut Off and must inhibit ALL fuel flow to the flame effect, regardless of how many gas cylinders are connected to the flame effect.
- See website for more policy details.

NUDITY

NUDITY IS WELCOME AT PDF!

However, if you have a volunteer shift at the gate, you should be properly attired for a public setting as this position may interact with the outside world. Generally, if you are at the gate for any reason, make sure your "bits" are covered.

FIREWORKS

Pyrotechnics and fireworks are defined as a device or assembly of materials containing gunpowder, explosives, or any other combustible substances that explode when ignited.

- All pyrotechnics and fireworks must be pre-registered and approved by the Burning Art Safety Team - no exceptions!
- Use of unapproved pyrotechnics and fireworks, or use of approved pyrotechnics and fireworks in an unapproved manner, may result in event ejection

ASH DUMP

There is an ash dump for hot ash in the large permanent fire pit in front of the red house **BUT WE ENCOURAGE PARTICIPANTS TO PACK EVERYTHING OUT**, so if possible pack out your ash. This is a Leave No Trace event so **DO NOT** put any ash on the ground. The ash dump is not a public burn pile - NO trash burning in the ash dump!

GENERATOR POLICY

If you bring your own generator you have an obligation to ensure that it's used in a safe manner and are trained in it's safe fueling and operation.

- Attended at all times
- Extinguished immediately at the request of any member of the Fire Safety Team or a Ranger
- Have a 5 lb. ABC Fire Extinguisher

BE PREPARED FOR WEATHER EXTREMES

Our event is held rain or shine. It has been held during Nor'Easters, severe thunderstorms, coastal flooding, plagues of insects, and record heat and cold. A shade or rain structure can be helpful and shared with neighbors. Be sure to properly stake or rebar any structures you erect. Tents have blown away and out of the event grounds, becoming MOOP. Shade structures have become windborne and hit people in the head.

STAY HYDRATED!

Dehydration is a very serious risk at PDF; **DRINK WATER**, and lots of it. Alcohol and caffeine dehydrate you; it is not water.

STAYING WARM

Hypothermia can be a serious risk at PDF; Please bring sufficient clothing and sleeping supplies to avoid possible hypothermia.

TICKS, WILDLIFE, AND LOCUST TREES - OH, MY!

TICKS

There are likely to be ticks in the area that carry Lyme and other tick-borne diseases. Lyme disease is carried specifically by deer ticks, and the site is currently used by a hunting club and designed to attract deer. All participants are encouraged to practice Radical Self Reliance and get educated on ticks and Lyme disease before arriving at the event. **Frequent tick checks and tick repellent are strongly suggested.**

WILDLIFE

Local wildlife includes black bears, foxes, bobcats, coyotes, racoons, rattlesnakes, copperheads, and deer.

Interaction with wildlife isn't expected as the noise of the event will likely keep wildlife away, however, if you encounter a black bear, identify yourself by speaking in a calm, appeasing tone and back away slowly, preferably in the direction you came. We strongly recommend wearing boots because both rattlesnakes and copperheads are venomous.

LOCUST TREES

They are present on the property and have big thorns, really BIG thorns. We suggest wearing boots and making sure the area where you set up your tent is free from locust tree debris and stumps.

PDF MAYOR 2026

PDF is a city and it has a Mayor! The Mayor is a member of the Board of Directors who makes themselves available to listen to community member's ideas, dreams, concerns, and complaints about PDF. The Mayor has been known to take bribes. You can, of course, talk to any board member throughout the weekend, but the Mayor is a board member who makes themselves conspicuous for your convenience. If you have any questions or concerns (or bribes), look for the Mayor.

THIS YEAR'S MAYOR IS DISCIPLE DAVE!

Disciple Dave first came to Playa del Fuego in 2017, curious to see how a regional burn compared to that larger dusty thing in Nevada. He quickly discovered that regional burns create a special kind of connection, intimacy, and community that is hard to replicate anywhere else.

Dave's Burning Man journey began with a Wired magazine article in 1996 that convinced him, somehow instantly, that Burning Man would one day be part of his life. He has been burning in Black Rock City since 2004, and last year spent two months volunteering with DPW to help build Black Rock City. His playa name, "Disciple Dave," comes from his sincere commitment to the 10 Principles on playa and off. Decommodification especially speaks to him as a reminder that we do not need to buy, own, or become anything extra in order to be worthy. We are enough.

Dave is serving in his sixth year on the FirePony Board and as a Burning Man Regional Contact for Virginia. This year he'll be in open camping with his converted RV camper, making its inaugural pilgrimage to PDF. As Mayor, Dave promises not to take the title too seriously, while still being genuinely honored by it. Come find him with questions, ideas, community-building thoughts, board stuff, or just to say hi. Welcome home.

A BRIEF HISTORY OF PDF

PDF began with about 20 east coast residents who were preparing to make their first journey to Burning Man in the Nevada desert, and wanted to get together a little closer to home to celebrate the spirit of the event. They joined together on the beach of Assateague Island on Maryland's coast on August 1st, 1998. In the spring of 2001, Playa Del Fuego had grown so much that a new site was needed to accommodate all the participants and it moved to Flemings Landing, DE. In 2018, Playa del Fuego found a new home in Tamaqua, PA where it remains today. PDF is a 100% volunteer-run event, with volunteers administering art grants, managing parking, facilitating workshops, handling ticket sales, and so much more.

WHY IS THE EFFIGY A PONY?

Assateague Island, where PDF first began, is home to Chincoteague ponies (or Assateague horses) that freely roam on the island. While phenotypically horse-like, they are commonly called "ponies". This is due in part to their smaller stature, created by the poor habitat on Assateague Island. Assateague's horses are beautiful, tough, and wild. They have learned to survive in a harsh environment.

There are few places in the United States where you can view wild horses. With careful management, the wild horses will continue to thrive on Assateague Island and provide enjoyment to thousands of nature enthusiasts, photographers, and people who just love horses!

LAND ACKNOWLEDGEMENT

We respectfully acknowledge the land on which we gather is the unceded territory of the Lenape Haki-nk (Lenni-Lenape) People and Susquehannock People.

What is a Land Acknowledgement?

Acknowledgment is a simple, powerful way of showing respect and a step toward correcting the stories and practices that erase Indigenous people's history and culture. Acknowledgment by itself is a small gesture. It becomes meaningful when coupled with authentic relationships and informed action.

Tamaqua has a rich indigenous history. The People of the Lenni Lenape Nation have been on this land well before any of our ancestors. We are a group of people who believe strongly in Civic Duty and leaving the land as we found it (LNT). We need to go beyond the confines of our events to be true to those words, because a Land Acknowledgement without genuine action is deeply performative.

Presently the people of Lenape Nation are in a battle with Pennsylvania for official recognition. Pennsylvania has yet to give recognition to any Native Indigenous People in the state. They are calling upon Pennsylvania officials to recognize the Lenape Nation of Pennsylvania. This is where our civic duty comes into play. Let's help them continue the fight.

Take Action - Make a difference!

PROFESSOR WILLIE'S XXX AI SLIDE SHOW

A series of x-rated images will be presented shortly after Professor Willie's 1960s Liquid Light Show. Willie has taken his photographs of nude models and run them through a generative AI system. Approximately 200 images of unique content were chosen for their aesthetic(?) qualities!

BIKINI BOTTOMS-UP! A6

Is nautical nonsense something you wish? Then drop on the deck and flop like a fish! Come on down to camp Bikini Bottoms-Up and join your fellow Spongebob enthusiasts for a weekend of under the sea shenanigans. Bring your squarest of pants and get ready to bring it aroooooound townnnnnn! We will be serving weenies, having a jellyfish jam bubble party, and going on STRIKE from the Krusty Krab! So... ARE YA READY KIDS?! All bubble blowing babies will be beaten senseless.

BLUE INTENSITY E8

Blue. Lots of it. Intensely. In Tent City. We have lots of big feelings. So do you. You can bring them to us. And we'll give you coffee (or decaf or hot cocoa). And a (consensual) hug. <3

CAMP ARE WE THERE YET? A7

The roadside carnival within the carnival! What's your thing? You like puppets? Face Painting? Popcorn? Cute awkward weirdos? Midnight hot dogs? Come on by and indulge in our special brand of absurdity and whatever other nonsense we see fit to inflict on the Playa.

CAMP CONDIMENT H1

CAMP DU JOUR C2

This is, on its face, a sound camp with a bar, lounge, fire circle. But we're here for the infinite possibilities. We're known as Camp Du Jour off-playa. But we're going to get our playa name! And many more. By assuming and discarding names, we'll take on new identities, shifting focuses, like a mutated phoenix emerging horrifically from the ashes of whatever the hell we were before. The only constants we embrace are change and chaos. Give us entropy or give us death! Which is also entropy!

CAMP F.A.R.T. (FUN,ART,RAVENS,& TREATS) C3

If you enjoy a little fun, artsy games and birds(ravens) we got you covered and you'll get some unique treats for your efforts. Stop by and make your best bird call or fart sound and walk away a piece of Raven lore from the magic box. (while supply last).

CAMP FIELD TRIPPIN' C5

We're a group of your favorite class clowns, bad influences, and teacher's pets who all got top of their class for hijinks & hilarity! Our curriculum includes a bar (for extra credit), a lounge for relaxing, funky art, and a rotating schedule of ridiculousness. Participation is encouraged, decorum is not. So ditch your hall pass, grab a seat by the fire, and lean into the weird. Class is in session... and things are about to get very, very silly.

CAMP LAMPLIGHTERS H7

This is where the Lamplighter leadership camps along with any volunteers interested in seeing how the inner workings of the lamplighter division operate. Do you like lights? Do you like volunteering and making the curb happen? Do you like feeling self-important? If you've answered yes to these questions then stop by during the day time and find out more!!

CAMP TRUTH BOOTH H10

All your questions will be answered at Camp Truth Booth! Sometimes the oracle is in, sometimes there's self service Tarot readings. This booth is for you.

CAMP TWIGFOLK

Twigfolk: The source of all the creepy (but probably benign) little stick figures animated by primal proto-spirit entities. Also made out of sticks and having Barbie clothes on them. These two concepts are not mutually contradictory. Note that the humans of Camp Twigfolk are not twig people. You're thinking of the Twigfolk.

CAMP U-CAN-LELE F4

We also accept uke donations, even if broken. EVERYONE welcome! We will also be running Dungeons and Dragons a couple times during the event, which has very little to do with ukuleles but the dungeon master IS a bard.

CAMP ZOO A5

Welcome to Camp Zoo! We love to bring out the wild animal in burners like you. There will be chill vibes by day, and ROARING music & light synced performances by night. Camp Zoo is the home of all your safari adventures.

Location: corner of Dressage Dr and N Sparkle Pony Blvd

CHOCHIN OBAKE C4

There's a spirit haunting us burners. It seems to be following us from burn to burn. Sometimes it appears in the dead of night, sometimes in the morning mist, and sometimes the spirits grow bold, and manifest in broad daylight! That's right, everyone's favorite yokai yatai is back, serving out spooky food and drink. Follow your nose, and seek out the red lanterns. You may notice the spirits beckoning you. DO NOT SIT BY THE SPOOKY FIRE. WE ARE NOT RESPONSIBLE FOR ECTOPLASMIC MOOP.

CLUSTERFLUFF A3

Clusterfluff is back and we remain completely unhinged. You already know, or you will know, or you will never fully know but you'll be there anyway staring at something you cannot explain while sitting in something unreasonably soft. The horns are out. The vibes are wrong in the right way. Unicorns are just horny horses and we will die on that hill. Find us. Sit down. Question the choices you made that lead you here.

Coffee and Contemplation provides burners with a comfortable space, fresh french press coffee, and contemplative dialogue in the mornings. Also a good vantage point for viewing/exploring the Labyrinth Portal.

COMPLIMENT CAMP H24

Compliment Camp is here to solve a critical playa problem: not enough people telling you how hot, brilliant & spiritually evolved you clearly are. Our camp offers affirmation & wildly optimistic character assessment from people who met you seconds ago. Your outfit? Iconic. Hair? Lit. Reputation? As legendary as Daft Punk's sunrise set at trash fence. Arrive with normal human insecurities. Leave convinced you're a style pioneer, visionary icon, and honestly the backbone of this entire Burn.

Featuring the widely acclaimed pangalactic gargle blaster, we welcome you (and your towel) to join us for activities such as the vaunted Vogon poetry. We'll have you leaving thinking 'not again' in an experience that is best described as 'mostly harmless'

NOT A SOUND CAMP

Why communicate without sound? Well, many of our camp members are deaf, and if we communicate with sound, these burners are excluded from participating with everyone. So we eliminate the communication modality that causes this exclusion: sound! While signed language is the primary communication modality, knowing a signed language is not a prerequisite to visit our theme camp. We celebrate all forms of sound-free communication (gestures, writing, hugs, sly winks or shrugs) and are excited to engage with all burners so everyone has an opportunity to learn and practice alternative ways of connecting with deaf people. This is the heart of this theme camp. One of the ten principles of burning man is radical inclusion, and we want to uplift this principle by carving space where accessibility of deaf people is at the forefront. We provide tools, expertise, & fun activities to guide all burners in an adventure of communication that is outside the default world's norms and expectations.

CONSENT-BASED CULTURE

Playa del Fuego promotes a consent-based culture. In the spirit of Civic Responsibility the PDF Planning Committee invited Assterix to help us teach and remind us all the principles of a consent-based culture that we are calling, "Don't be an Asshole".

MEET ASSTERIX, THE "DON'T BE AN ASSHOLE" PONY

ASSTERIX IS A BOUNDARY AFFIRMING PONY

You don't need to change your boundaries for someone.
Boundaries can be different for every person and in every moment.
It's OK if you haven't figured out where your boundaries are yet.

ARE YOU DEALING WITH AN ASSHOLE?

You can be direct or indirect. Get help from a friend or call a Ranger for assistance.

Say "Stop" - You always have the right to say "stop", or "that is not okay."

Address the specific behavior that is harmful.
Someone may not be aware of how they are acting.

See Something Happening? Here are some options.

Step In - Directly intervene in a situation. Speak up about the harm.
Be firm and clear.

Interrupt either the person causing harm or the situation.

Take an indirect approach to de-escalate the situation.
Distracting attention away from the person causing harm gives the person experiencing harm time to move away.

HERE ARE SOME WAYS TO STOP BEING AN ASSHOLE.

Ask a friend to be your asshole buddy. Listen when they tell you that you have or are about to cross a line.

If someone wants to talk to you about your behavior, and you listen, you are part of the solution, not part of the problem.

If someone wants to talk to you about your behavior, it's OK to feel defensive and still listen.

If substances are involved, you could be breaching someone's boundary even if they verbally consent.

Body language alone can't say "Yes", but it can say "No".

You don't have to have all the answers. We're all learning together.

Just because it's ok now doesn't mean it's ok later.

If someone says "No", they might not feel like explaining themselves either. That's OK.

GUIDING PRINCIPLES

Playa del Fuego is a Regional Burning Man event. The 11 Principles of Burning Man guide our community.

PRINCIPLES OF BURNING MAN

RADICAL INCLUSION

Anyone may be a part of Burning Man. We welcome and respect the stranger. No prerequisites exist for participation in our community.

GIFTING

Burning Man is devoted to acts of gift giving. The value of a gift is unconditional. Gifting does not contemplate a return or an exchange for something of equal value.

DECOMMODIFICATION

In order to preserve the spirit of gifting, our community seeks to create social environments that are unmediated by commercial sponsorships, transactions, or advertising. We stand ready to protect our culture from such exploitation. We resist the substitution of consumption for participatory experience.

RADICAL SELF-RELIANCE

Burning Man encourages the individual to discover, exercise, and rely on their inner resources.

RADICAL SELF-EXPRESSION

Radical self-expression arises from the unique gifts of the individual. No one other than the individual or a collaborating group can determine its content. It is offered as a gift to others. In this spirit, the giver should respect the rights and liberties of the recipient.

COMMUNAL EFFORT

Our community values creative cooperation and collaboration. We strive to produce, promote, and

protect social networks, public spaces, works of art, and methods of communication that support such interaction.

CIVIC RESPONSIBILITY

We value civil society. Community members who organize events should assume responsibility for public welfare and endeavor to communicate civic responsibilities to participants. They must also assume responsibility for conducting events in accordance with local, state, and federal laws.

LEAVING NO TRACE

Our community respects the environment. We are committed to leaving no physical trace of our activities wherever we gather. We clean up after ourselves and endeavor, whenever possible, to leave such places in a better state than when we found them.

PARTICIPATION

Our community is committed to a radically participatory ethic. We believe that transformative change, whether in the individual or in society, can occur only through the medium of deeply personal participation. We achieve being through doing. Everyone is invited to work. Everyone is invited to play. We make the world real through actions that open the heart.

IMMEDIACY

Immediate experience is, in many ways, the most important touchstone of value in our culture. We seek to overcome barriers that stand between us and a recognition of our inner selves, the reality of those around us, participation in society, and contact with a natural world exceeding human powers. No idea can substitute for this experience.

CONSENT

Considered as the "11th Principle" by some, consent respects the autonomy of the individual, who has the right to make their own choice about their own body, property, personal space and privacy.
